Quince Duncan Dorothy E. Mosby,2014-02-28 Quince Duncan is a comprehensive study of the published short stories and novels of Costa Rica s first novelist of African descent and one of the nation s most esteemed contemporary writers The grandson of Jamaican and Barbadian immigrants to Lim n Quince Duncan b 1940 incorporates personal memories into stories about first generation Afro West Indian immigrants and their descendants in Costa Rica Duncan s novels short stories recompilations of oral literature and essays intimately convey the challenges of Afro West Indian contract laborers and the struggles of their descendants to be recognized as citizens of the nation they helped bring into modernity Through his storytelling Duncan has become an important literary and cultural presence in a country that forged its national identity around the leyenda blanca white legend of a rural democracy established by a homogeneous group of white Catholic and Spanish peasants By presenting legends and stories of Lim n Province as well as discussing the complex issues of identity citizenship belonging and cultural exile Duncan has written the story of West Indian migration into the official literary discourse of Costa Rica His novels *Hombres curtidos* 1970 and *Los cuatro espejos* 1973 in particular portray the Afro West

Indian community in Limón and the cultural intolerance encountered by those of African Caribbean descent who migrated to San José. Because his work follows the historical trajectory from the first West Indian laborers to the contemporary concerns of Afro-Costa Rican people, Duncan is as much a cultural critic and sociologist as he is a novelist. In *Quince*, Duncan Dorothy E. Mosby combines biographical information on Duncan with geographic and cultural context for the analysis of his works, along with plot summaries and thematic discussions particularly helpful to readers new to Duncan. *Voices* Roger Ladd

Memmott, 2014-04-06 *VOICES* A Gemstone Book TRADE PAPERBACK 250 pages When the World Conspires against you where do you turn? Kala Westergaard sees herself as a modern-day Joan of Arc with the unwarranted persecution but without a cause. Orphaned at the age of four, she is raised by her grandmother and aunt until the fateful night when she and her boyfriend, coming back from a party, are run off the road by a deer in the headlights. Before morning breaks, this simple accident leads to a series of murders and rape, setting in motion the novel's chain of life-altering passions—passions that speak profoundly of the mysteries of human character and our own personal voices that dictate those passions. *VOICES* is an utterly stirring, erotically charged and morally complex tale of uncompromising honesty, especially for those who can read between the lines, those telltale white spaces where only the most naive think nothing resides. ***Heaven's Way*** Roger Ladd

Memmott, 2009-09-27 A Gemstone Book TRADE PAPERBACK 403 pages When Danny Davenport and Nick Nicholson first slug it out on the south end of the football field, they are two elementary school innocents already troubled by the prospect of losing their youth. Then comes Lily Winterspring, binding them together with all the pain of a splinter sewn through their hearts. The bitter flows out of the sweet, and the bonds between the two are tested first by sudden tragedy and then by a monstrous duplicity that slowly comes to the surface. Combining the intimacy of family and marital relationships together with a candid yearning and genuine moments of suspense, *HEAVEN'S WAY* is a deeply moving story about love, loss, and betrayal, and the redemption only faith and devotion can bring. Written in the form of a memoir with confession at its center and driven thematically by elements of metafiction, *HEAVEN'S WAY* stands in a genre of its own. *The Greatest Works of Frances Hodgson Burnett: 40+ Children's Books, Novels & Short Stories (Illustrated Edition)* Frances Hodgson

Framed Erin Tolley, 2015-12-03 *Framed* is a wake up call for those who think that race does not matter in Canada Combining an empirical analysis of print media with in depth interviews of elected officials former candidates political staffers and journalists this book uncovers the connections between race media coverage and politics in Canada As Erin Tolley reveals overt racism rarely occurs in the pages of Canadian newspapers but assumptions about race and diversity often influence media coverage Consequently as reporters go about selecting which political issues and events to cover who to quote and how to frame stories to make them resonate with the public they give visible minorities less prominent and more negative media coverage than their white counterparts Visible minority politicians are also more likely to be portrayed as products of their socio demographic backgrounds as uninterested in pressing policy issues and as less electorally viable The resulting news coverage Tolley argues does much to weaken Canada's commitment to a robust inclusive democracy
