Modern classics elegantly written and breathtaking in their honesty Daily Express Si n Phillips has a long and celebrated  
career on both stage and screen For the first time her two bestselling volumes of memoir *Private Faces* and *Public Places* will  
be available as a single volume with a brand new foreword by the author With wonderful stories and unflinching candour  
*Private Faces* and *Public Places* covers her life from its beginnings in the remote Welsh countryside where life hadn t  
changed for centuries to finding herself at the epicentre of the acting world at its most glamorous alongside husband Peter O

Toole whose career was about to take off with the spellbinding *Lawrence of Arabia* Si n describes the mad and wonderfully impulsive times with O Toole alongside the tempestuous insecure and often lonely periods in their marriage Incredibly it endures over 20 years When it ends surprising even herself she plunges straight into another marriage with the much younger actor Robin Sachs Emerging alone from her second marriage triumphant and unrepentant the story Si n tells ranks alongside the very best in show business      *Celtic Literatures in the Twentieth Century* Сборник статей,2015-09-09 The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine between the 24th and 26th August 2000 a very successful and informative conference on Celtic Literatures in the Twentieth Century The lectures and the discussions were of a high standard and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter Unfortunately due to dif culties in assembling some of the papers this was not possible and consequently publication has been delayed much longer than was originally anticipated Despite this delay we feel that those papers which we have received merit publication at this time not only because of their intrinsic merits but also because they represent the views of the authors on their respective topics at the turn of the twenty rst century and will hopefully be of value to those interested in the state of the modern Celtic literatures      *Ffuglen* Enid Jones,2008 A book exploring the depiction of Wales in a wide range of Welsh language novels published between 1060 and 1990 Many are historical novels and others contemporary ones The depictions are centred around national attributes such as language territory religion history and culture      *The Merthyr Rising* Gwyn A. Williams,2021-09-05 This book first published in 1978 examines the independent political action by the thousands of working people in the town of Merthyr Tydfil Wales After a mass rally on the hills above the town thousands of workers under a reg flag broke into insurrection a detachment of Argyll and Sutherland Highlanders marched into the town to restore order The rebels repulsed the soldiers and held the town with at least two dozen workers killed Within weeks of the Rising trade unions began to appear in South Wales and this book argues that these events were central to the emergence of a Welsh working class      *Kate Roberts* Katie Gramich,2011-02-15 When the Welsh writer Kate Roberts died in 1985 at the age of 94 the Times obituary noted that she was felt by many to rank with Maupassant as one of the leading European short story writers Roberts is widely acknowledged as the major twentieth century novelist and short story writer to have written in the Welsh language being known and revered in Wales as the Queen of our Literature Much of her work has been translated into English and other languages and yet she remains today relatively little known and under appreciated in comparison for example with other female contemporaries who wrote in English such as Virginia Woolf Katherine Mansfield and Elizabeth Bowen This volume seeks to redress the balance bringing the life and work of this extraordinary novelist playwright short story writer journalist and ardent political campaigner to the attention of the wider world audience that the sheer quality of her writing deserves      *Poetry Wales* ,1992      **Farewell, Godspeed** Cyrus M. Copeland,2007-12-18 Farewell Godspeed is a remarkable collection of eulogies for some of the most notable figures of our

time delivered by the people who knew them best In the words used to eulogize the great and celebrated men and women of the world sometimes reverential sometimes funny always poignant we come as close as perhaps we ever will to seeing the warm humanity beneath their public personas Cyrus M Copeland has gathered some of the greatest of these writings about artists scientists authors public servants entertainers and others who have captured our attention by making the world a better or at least a livelier place Here is Andy Warhol s close friend describing Warhol s hidden spirituality Albert Einstein s assistant recounting his humanism Edward Kennedy remembering with a brother s tenderness the life of Jacqueline Kennedy Onassis Larry McMurtry s lively and loving tribute to Irving Swifty Lazar And Robert Bernstein longtime publisher and friend of Dr Seuss memorializing him with special never before published verse Also included are the eulogies of the Challenger astronauts by President Ronald Reagan Charles Schulz by Cathy Guisewite creator of the comic strip Cathy Bette Davis by James Woods Bob Fosse by Neil Simon Lucille Ball by Diane Sawyer Martin Luther King Jr by Benjamin E Mays David O Selznick by Truman Capote Karl Marx by Friedrich Engels and Gianni Versace by Madonna In these moving and personal tributes we see at last the vulnerabilities and nuances of character that are often hidden from the spotlight and the true personalities behind the names we remember
