Ancient-Future Time () Robert E. Webber,2004-10-01 Millions of Christians worldwide follow the liturgical Christian calendar in their worship services and in their own personal devotions The seasons of the Christian year connect believers of diverse backgrounds and offer the sense of unity Jesus desired Robert Webber believes that we can get even more out of the Christian calendar He contends that through its rich theological meanings the Christian year can become a cycle for evangelism and spiritual formation He offers pastors church leaders and those of the younger evangelical mind set practical steps to help achieve this end including preaching texts and worship themes for Lent Easter Pentecost Advent and Christmas

The Hidden Side of Christian Festivals C. W. Leadbeater, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 edition Excerpt CHAPTER VII LENT OUR ATTITUDE TOWARDS LENT The word Lent means spring for in the northern hemisphere where the Christian faith began Lent is necessarily always observed in that season of the year as it is the time of preparation for the Easter festival the date of which is determined by the vernal equinox This period of preparation is intended to last for forty days and as it has been made a penitential season it was felt that the Sundays which are always joyous in commemoration of the Resurrection could not be included so that the first day of Lent commonly called Ash Wednesday is actually forty six days before Easter That curious name was given to the day because of a quaint mediaeval custom of smearing ashes on the forehead on that occasion as a token of sorrow for sin a custom derived from the ancient Jews Even now in churches of the Roman obedience the sanctified palm branches which have been preserved since Palm Sunday of the previous year are burnt on Ash Wednesday and the priest dipping his thumb into the ashes makes a cross therewith on the forehead of each member of his congregation before beginning the Mass We have not adopted this custom in our Liberal Catholic Church as it is not in harmony with our attitude in these matters The present idea of observing the forty days of Lent was unknown in the early Church It began with a celebration of forty hours not forty days 129 It was calculated that the Christ or rather His body lay in the sepulchre about forty hours and it was thought by many earnest Christians that it was a meet and fitting thing to observe that time during which the body of our Lord was untenanted as a time of fasting Fasting then probably meant absolutely going without food **A Feast of Festivals** Hugo Slim, 1996 A lively and informative guide to the seasons and festivals of the Christian year The book is filled with ideas for personal and family celebrations that should enrich the pattern of daily life for young and old alike
