Bragg,2008 Fiction The neck that was once a wrist choked on a wishbone made from a sliver of moonlight which manifested itself as a seeing eye on the back of the hand that was just like a cheery fireplace on the back of a skull that became a house Blue sapphire icicles were cried out of this synthetic eye evoking the cold appearance of a dark witch who kept her animals in cages who moved her freight elevators up just like she went down on her dumb waiters and who sliced off the heads of infidels expecting the interior of their bodies to be an emerald honeycomb of light that would weep strange songs THE MIDNIGHT BLADE OF SONIC HONEY is the pairing of a surrealist novel and an automatic text that were written nearly seven years apart but which tell the same story albeit as complementary permutations of each other Dripping with bile and centered within a gothic sensibility this journey opens the reader s skull like a freshly cracked coconut With illustrations in black and white by Ribitch **All That Noise** Max Summers,2013-09-17 To those very few people who know Paul Trenton he is a nice quiet hardworking young artist who despite his extreme shyness seems well adjusted For Paul nothing could be farther from the truth His inner reality is a violent storm of fear anguish and severe self loathing He is a man plagued by the noise of a past he cannot quiet and enslaved to the self hating monster that seethes within a monster spawned by the beast that calls itself his father and the ghost that calls itself his mother When Paul loses his position as a graphic artist in a New York advertising agency the one job he believed would help him climb from the morass of his mediocre life the blow proves to be too much Thrown into deep despair he turns to the only companions he believes he has ever had a tiny cigarette lighter and a straight razor Fire and steel for the monster covets pain above all things The monster s ritual is interrupted by Paul s neighbor Eddie an eighteen year old walking hormone who invites Paul to a new nightclub in the city He agrees to tag along because he knows that at the club he can have another date with the only mistress he has ever known alcohol The nightclub will be the perfect place for him to drink himself into oblivion and that is exactly what he plans to do Until the girl with the sapphire eyes comes dancing into his life Mesmerized by her incredible beauty alluring grace and their fateful stare Paul abandons his suicidal intention but finds himself in mortal peril anyway But he is rescued After his rescue life for him becomes very surreal He learns that this beautiful lady and her two male companions aren t from our neck of the woods In fact they aren t from our galaxy Who are they What do they want Why are they here on Earth He can hardly believe their outlandish plan and their intention for Paul to help Yet the girl with the sapphire eyes wants to help Paul first Thus begins Paul s quest to escape the conflicted monster he believes he has become which takes him from a dark alleyway to the height of the fashion world to a showdown with the beast that calls himself his

father and the ultimate bloody confrontation with himself then onto the most profound event in human history All That Noise is a deeply introspective emotionally honest journey through one man's pain that is sometimes quirky but is a serious exploration into the tragic effects of child abuse on the human psyche This story confronts the permanence of pain mourns the loss of self and poignantly reminds us of what could have been yet ultimately reveals the responsibility of choice the necessity of forgiveness and the liberating power of love
