Ribs of Death Paul Zimmer, **Paradise Regain'd. A Poem, in Four Books. To which is Added Samson Agonistes: and Poems Upon Several Occasions. The Author John Milton. Volume the First [-the Second!]. With Notes of Various Authors, by Thomas Newton, D.D**, 1766 Death Poem Richard McClements, 2015-07-20 Sean Devaney takes his first breath in 1895 without any idea of the twists and turns his life will eventually take As he grows up on a farm outside New York City Sean learns that there is no substitute for character It is only after he enters Columbia University that the rumblings of a World War begin in Europe influencing the direction of Seans life forever The day after his college graduation Sean walks into a Marine Corps recruiting station shakes destiny's hand and is soon transported to France where he must face death on a grand scale Yet in the midst of the dark indescribable horrors of war he finds a bright light in Lynn a beautiful Red Cross nurse who seems destined to be his bride But when tragedy intervenes and destroys his plans Sean embarks on a revengeful journey with the power to destroy not only him but also anyone else who crosses his path As life comes full circle Sean reflects on his life with help from a new friend as he contemplates the biggest decision he has ever had to make In this historical saga a young man struggles to find himself through great adversity as a world war rages and teaches him the value of life love and loss Paradise Regain'd.
