Trump is in the White House Forget the Culture Wars the Liberty Wars are about to erupt on the grand apocalyptic scale Do you know the difference between positive and negative liberty You had better find out fast They define the world we live in and the immense conflicts to come Politics has failed The advent of Donald Trump a Plutocrat with zero political experience as the President of the USA shows that democracy is now coming to its end If the President can be a non politician a demagogue of the old school why do we need any politicians at all What have the politicians ever done for us The Reckoning is here As John F Kennedy said The hottest places in Hell are reserved for those who in time of moral crisis preserve their neutrality
