Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards Robert T. Kiyosaki, Sharon L. Lechter, 2000-11-01 Why cutting up your credit cards won t make you rich A popular TV personality often says Take out your credit cards and cut them into pieces While that is sound advice for people who are not financially responsible it is inadequate advice for anyone who wants to become rich or financially free In other words just cutting up your credit cards will not make you rich What does make you rich is financial education unfortunately a type of education we do not receive in school If a person has a solid financial education they would know that there are two kinds of debt good debt and bad debt A person with a sound financial education would know how to use good debt to make them richer faster much faster than a person who only saves money and has no debt Rich Dad's Guide to Becoming Rich Are you in credit card debt Is job security dead Is your financial security threatened Is a high paying job the answer Is your money working for you Do you have good debt or bad debt We all need more financial education We need to know how to have our money work hard for us so we don t have to spend our lives working for money That is why we need more sophisticated financial education not oversimplified and childish financial tips such as cut up your credit cards or save more money If you are ready to increase your financial education and enjoy your credit cards then this book is for you **Rich Dad's Increase Your Financial IQ** Robert T. Kiyosaki,2008-03-26 For years Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one s finances work Too many people are much more interested in the quick hitting scheme or trying to find a short cut to real wealth As Kiyosaki has preached over and over again one has to truly under the process of how money works before one can start out on trying to escape the daily financial Rat Race Now in this latest book in the popular Rich Dad Poor Dad series Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand In INCREASE YOUR FINANCIAL IQ Kiyosaki provides real insights on these key steps to wealth o How to increase your money how to assess what you re really worth now what your prospects are and how to start mapping out your financial future o How to protect your money for better or for worse taxes are a way of life Kiyosaki shows you that it s not what you make it s what you keep o How to budget your money everybody wants to live large but you have to learn how to live within your budget Kiyosaki shows you how you can o How to leverage your money as you build your financial IQ knowing how to put your money to work for you is a crucial step o How to improve your financial information Kiyosaki shows you how to accelerate your wealth as you learn more and more **Too Young to Retire** Marika Stone, Howard Stone, 2004-04-27 This little gem of a book offers sage advice on everything from downsizing to diet and exercise The New York Times With

Americans living longer healthier lives the conventional idea of retirement is obsolete Millions of Americans are working past the age of sixty five not because they have to but because they want to Many like Marika and Howard Stone discover second careers start their own businesses or go back to school Too Young to Retire offers inventive and exciting retirement alternatives to help readers find their labors of love inner activists or how to make a home away from home Enlightening exercises and workbook pages as well as a comprehensive list of publications home exchange organizations and websites are included to assist readers in making meaningful choices For those who aren t ready to throw in the towel Too Young to Retire is the essential resource for discovering what comes next
