Rich Choices:

Straight Choices Ben R. Newell, David A. Lagnado, David R. Shanks, 2015-06-12 Should I have this medical treatment or that one Is this computer a better buy than that one Should I invest in shares or keep my money under the bed We all face a perplexing array of decisions every day Thoroughly revised and updated throughout the new edition of Straight Choices provides an integrative account of the psychology of decision making and shows how psychological research can help us understand our uncertain world Straight Choices emphasises the relationship between learning and decision making arguing that the best way to understand how and why decisions are made is in the context of the learning and knowledge acquisition which precedes them and the feedback which follows The mechanisms of learning and the structure of environments in which decisions are made are carefully examined to explore their impact on our choices The authors then consider whether we are all constrained to fall prey to cognitive biases or whether with sufficient exposure we can find optimal decision strategies and improve our decision making Featuring three completely new chapters this edition also contains student friendly overviews and recommended readings in each chapter It will be of interest to students and researchers in cognitive psychology behavioral economics and the decision sciences as well as anyone interested in the nature of decision making

Choices: Good Choices, Bad Choices and Blind Guesses Catherine Barry, 2015-09-23 A choice is just the first step of your future course In some cases we even take that step with our eyes closed Ever feel like you need a road map for your life Imagine how your students must feel when not only do they need a map they've also never been taught how to read a map This session will take your students on a journey through the adventure of decision making It is designed to break down the common situations that children and teens alike find themselves in when facing choices 1st Generation Rich Mark J. Migliaccio, 2020-08-24 Have you ever dreamed about being your own boss buying real estate or wonder what it takes to build a money making machine that pays all your expenses While it may seem hard to believe it's possible for you to do all these things no college degree required Mark J Migliaccio a former special education student and community college dropout knows because he has done that exact thing In this guide to building wealth he explores how to build a business that puts you in control of your valuable time master the art of making money by investing in real estate view money as a valuable tool instead of being taboo He explains that by creating more options you will have more freedoms Once your cash machine begins to grow you'll find that wealth opens many different kinds of doors You will have extra time and be able to help others along in their journey to success Don't spend another day building someone else's dream Start building your own and enjoy the fulfillment satisfaction and freedom of becoming 1st Generation Rich **The Story of Rich** J. D. Joyce, 2012-10-02 An investing story that provides insights into dealing with your money and finding financial security Making the right investment decisions and executing an effective financial plan can be difficult especially in today's markets But with the right guidance you can achieve this goal Now in The Story of Rich leading wealth manager John David J D Joyce shows you how Based on his

real world experiences with investors throughout his successful career this book offers meaningful advice about financial planning and investing Designed for those with significant assets who are nearing or recently retired as well as individuals who have recently come into new money through business or inheritance The Story of Rich skillfully explains financial planning and investing through a fable of a man who sells a business he s worked so hard to build and now finds himself with more money then he s ever had to deal with Along the way this book teaches you about important investment concepts and presents you with tools to consider your options and choose an appropriate investment strategy Chronicles the fictional story of a recently retired businessman who is worried about making the most of his money now that he s no longer generating regular income Presents lessons about investing sometimes through comparisons to topics like marathon running or wine making in the quest to make sense of fundamental investment concepts Author John David J D Joyce has been named a Top Financial Advisor by Barron s in 2009 2010 and 2011 Engaging and informative The Story of Rich is the perfect guide for those concerned about protecting their hard earned money and investing it wisely *The ArtStars* Guide to Getting Your Sh*t Together* Nadja Sayej,2014-09-02 Your essential guide to publicity finance and career management with advice from the top Including everything you didn t get in art school and even more Are you making art but nobody seems to notice Do you find it difficult to make money or develop your network Need to add some skills to make your career worthwhile Look no further The ArtStars Guide to Getting Your Shit together is the go to ebook for any art student art school grad or professional artist in or entering the contemporary art world with a goal of cashing in and making a splash in the public eye Beginning from the core basics this tell all inspiration ebook covers every aspect of working as an individual artist beyond the studio practice Every successful professional artist knows they must put in the extra effort to get noticed and that means more than just sitting in your studio making your work in the dark Since interviewing thousands of artists since 2003 the internationally acclaimed arts journalist and celebrity interviewer Nadja Sayej has written this book to help artists succeed with career management publicity and finance With a focus on recovering from your biggest mistakes this must have guide is built for visual artists who want to thrive not just survive in an increasingly visual based society There is No Business in BFA Art schools don t train artists for media interviews how to price their work or even ways to profit as self made entrepreneurs That s why there s an ebook to get you caught up on the homework you never got and it s cheaper than a MFA Reality Check In the real world there are many artists who get press but no sales Hence people in their 30s and 40s are totally well known in their industry but have nothing to show financially This is totally unfair but totally possible to change In fact it s never too late to change that Career Advice from the Top Getting your shit together is about finding your own voice and managing your career in a time when you can t expect other people to do everything for you You can have a gallerist an agent a PR team and a studio but if you re not in control of your own life you will not get results The advice in this ebook comes from interviews with Marina Abramovic James Franco Yoko Ono Genesis P Orridge Olafur Eliasson Peaches Hercules Love Affair Chilly
