*Richard Chamberlain* Barbara Siegel, Scott Siegel, 1989      *Shattered Love* Richard Chamberlain, 2004-05-04 One of the most beloved actors of our time shares the New York Times bestselling story of how he learned to live with an open heart Early in his career shortly after rising to fame as television s Dr James Kildare Richard Chamberlain took on the role of Hamlet on the English stage The play contained a lesson the actor has remembered throughout his life To thine own self be true But for Chamberlain these were not always easy words to live by Even as he won the adoration of millions of fans this handsome charming debonair leading man seriously questioned his own self worth living a life haunted by personal insecurity despite decades of immense popular success in memorable roles in Dr Kildare The Thorn Birds Shogun and other television dramas Finally with the help of friends and guidance from spiritual teachers including Krishnamurti Chamberlain began the sometimes painful but deeply rewarding process of reconciling his deepest self with his public persona Now in *Shattered Love* he poignantly recounts his lifelong struggle to find happiness Tracing a fascinating path through his meteoric rise to success he chronicles his struggle to come to terms with his own imperfections his growing desire to be honest about his sexual orientation and his yearning to live with an open heart And along the way he imparts the lessons he has learned about overcoming our own self imposed obstacles to happiness the importance of listening to our own instincts instead of listening only to others not demanding the impossible of ourselves and allowing ourselves to explore negative feelings in order to move forward

[Living Room Lectures](#) Nina C. Leibman, 2010-07-22. With a breadwinner dad, a homemaker mom, and squeaky-clean kids, the 1950s television family has achieved near-mythological status as a model of what real families ought to be. Yet feature films of the period often portrayed families in trouble, with parents and children in conflict over appropriate values and behaviors. Why were these representations of family apparently so far apart? Nina Leibman analyzes many feature films and dozens of TV situation comedy episodes from 1954 to 1963 to find surprising commonalities in their representations of the family. Redefining the comedy as a family melodrama, she compares film and television depictions of familial power, gender roles, and economic attitudes. Leibman's explorations reveal how themes of guilt, deceit, manipulation, anxiety, and disfunctionality that obviously characterize such movies as *Rebel Without a Cause*, *A Summer Place*, and *Splendor in the Grass* also crop up in such TV shows as *The Adventures of Ozzie and Harriet*, *Father Knows Best*, *Leave It to Beaver*, *The Donna Reed Show*, and *My Three Sons*. Drawing on interviews with many of the

participants of these productions archival documents and trade journals Leibman sets her discussion within a larger institutional history of 1950s film and television Her discussions shed new light not only on the reasons for both media's near obsession with family life but also on changes in American society as it reconfigured itself in the postwar era **Weekly World News**, 1981-09-08 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site The Advocate, 2004-01-20 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Five Easy Decades* Dennis McDougal, 2008-12-01 Praise for Five Easy Decades How Jack Nicholson Became the Biggest Movie Star in Modern Times Dennis McDougal is a rare Hollywood reporter honest fearless nobody's fool This is unvarnished Jack for Jack lovers and Jack skeptics but also for anyone interested in the state of American culture and celebrity I always read Mr McDougal for pointers but worry that he will end up in a tin drum off the coast of New Jersey Patrick McGilligan author of Jack's Life and Alfred Hitchcock A Life in Darkness and Light Praise for Privileged Son Otis Chandler and the Rise and Fall of the L A Times Dynasty A great freeway pileup part biography part dysfunctional family chronicle and part institutional and urban history with generous dollops of scandal and gossip Hendrick Hertzberg The New Yorker McDougal has managed to scale the high walls that have long protected the Chandler clan and returned with wicked tales told by angry ex wives and jealous siblings The Washington Post Praise for The Last Mogul Lew Wasserman MCA and the Hidden History of Hollywood Real glamour needs a dark side That is part of the fascination of Dennis McDougal's wonderful book The Economist Thoroughly reported and engrossing the most noteworthy trait of MCA was how it hid its power The New York Times Book Review Over the years I've read hundreds of books on Hollywood and the movie business and this one is right at the top Michael Blowen The Boston Globe *KJK* briann kearney, 2019-11-28 KEVIN KEARNEY Sound designer Audio Artist and Analogue Location Sound Designer Vol 2 Part 3 is a historical coverage of the Australian film production period 1977 1979 and centres on features documentaries short film music clips telemovies series and commercials both nationally and internationally *The British National Bibliography* Arthur James Wells, 1968 **Bodywise** Joseph Heller, William Henkin, 2004-10-20 Bodywise is based on Joseph Heller's own brand of deep tissue bodywork which makes the connection between life issues and natural bodily alignment and shows how to restore the body's natural balance The book teaches readers how to regain control and become a full time owner of their bodies Part One explains the way the body works in everyday life as well as in the structures of consciousness Part Two takes the reader on a guided tour of the Hellerwork experience **Stages of Life in Theatre, Film, and Television** Norman Lloyd, Francine Parker, 1993 Limelight Reading like a who's who of Broadway and Hollywood this is a valuable piece of theatrical history Lloyd is a self effacing articulate actor director producer whose stories are as insightful as they are warm and often humorous Choice World Cinema: a
