Richard Prince Richard Prince, 2008 Ilse Zhalina is the daughter of one of Melnek's more prominent merchants She has lived most of her life surrounded by the trappings of wealth and privilege Many would consider hers a happy lot But there are dark secrets especially in the best of families Ilse has learned that for a young woman of her beauty and social station to be passive and silent is the best way to survive When Ilse finally meets the older man she is to marry she realizes he is far crueler and more deadly than her father could ever be Ilse chooses to run This choice will change her life forever And it will lead her to Raul Kosenmark master of one of the land's most notorious pleasure houses and who is as Ilse discovers a puppetmaster of a different sort altogether Ilse discovers a world where every pleasure has a price and there are levels of magic and intrigue she once thought unimaginable She also finds the other half of her heart Passion Play is Beth Bernobich's first novel **Richard Prince** Richard Prince, 2001 By manipulating the means and products of mass media Richard Prince gives his viewers a glimpse of American culture as directed toward middle class consumers His appropriations of living rooms watches and sophisticated couples and individuals turn the informative nature of the original advertisement into cultural indicators of borrowed and fictional representation This book assembles together the photographs that initiated

Prince's exploration of authorship and the original ideas that were prevalent in the critical discourse of the late 70s and are perhaps even more so today *The Unauthorised Collection of John Kaldor* David De Boer, 2012-06-06 When I was asked by the non profit gallery FELT Space in Adelaide Australia to propose an exhibition for their space I began thinking about other people who collect artwork and how their collections acquire cultural and financial significance through personal stories exhibition histories and auctions to name a few This led me to the John Kaldor Family Collection of contemporary art that was donated to the Art Gallery of New South Wales in Australia I marvel at John Kaldor's persistence and dedication to contemporary art but I also wondered if I could develop significance in my own versions of his artworks if I had them re created by the painting fabrication company I work with in China and organized my own exhibition of artworks from the Kaldor Collection With this as my focus I developed a catalog with images of the artworks and essays by artist Joey G Cruz and art historians Andrea Bronte and Mary Coyne to give context and value to my re made artworks **Richard Prince :** **High times** Richard Prince, 2018 Recent essays by Richard Prince reprints of historical texts by Eve Babitz Joan Didion and Kim Gordon and a new essay by Rachel Kushner Exhibition Gagosian West 24th Street New York USA 01 11 19 12 2018
