Richard Aldington Ebays In Honour Of The Centenary Of His Birth:

Richard Aldington A. Blayac, Caroline Zilboorg, 1993 Handbook of British Literature and Culture of the First World War Ralf Schneider, Jane Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War *The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set* Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile **Writing disenchantment** Andrew Frayn, 2015-11-01 It has become axiomatic that First World War literature was disenchanted or disillusioned and returning combatants were unable to process or communicate that experience In *Writing disenchantment* Andrew Frayn argues that this was not just about the war non combatants were just as disenchanted as those who fought and writers such as D H Lawrence and Virginia Woolf produced some of the sharpest criticisms Its language already existed in contemporary sociological and historical accounts of the problems of mass culture and the modern city whose structures contained the conflict and were strengthened during it Archival material sales data and reviews are used to chart disenchantment in a wide range of early twentieth century war literature from novels about fears of invasion and pacifism through the modernist novels of the 1920s to its dominance in the War Books Boom of 1928 30 This book will appeal to scholars and students of English literature social and

cultural history and gender studies An Imagist at War Richard Aldington,2002 For the first time all the war poems of Richard Aldington have been brought together This collection is intended to reaffirm Aldington s position as a significant voice in the literature of the First World War **The Life and Work of Thomas MacGreevy** Susan Schreibman,2013-07-18 As a poet and literary critic Thomas MacGreevy is a central force in Irish modernism and a crucial facilitator in the lives of key modernist writers and artists The extent of his legacy and contribution to modernism is revealed for the first time in The Life and Work of Thomas MacGreevy Split into four sections the volume explains how and where MacGreevy made his impact in his poetry his role as a literary and art critic during his time in Dublin London and Paris and through his relationships with James Joyce Samuel Beckett Wallace Stevens Jack B Yeats and WB Yeats With access to the Thomas MacGreevy Archive contributors draw on letters his early poetry and contributions to art and literary journals to better understand the first champion of Jack B Yeats and Beckett s chief correspondent and closest friend in the 1930s This much needed reappraisal of MacGreevy the linchpin between the main modernist writers fills missing gaps not only in the story of Irish modernism but in the wider history of the movement Medieval and Renaissance Humanism Stephen Gersh,Bert Roest,2003-01-01 This collection of essays explores in an innovative way the humanist aspects of medieval and post medieval intellectual life and their multifarious appropriation during the early modern and modern period **Poetics of the Pretext** Roland-François Lack,1998 Poetics of the Pretext is an original study of the French poet LautrEamont 1846 1870 who was rediscovered by the Surrealists in the 1920s and promoted to the vanguard of theoretical debate by the Telquelists of the 1960s but whose work has remained largely ignored or misinterpreted beyond a small circle of enthusiasts Poetics of the Pretext analyses closely the texts pretexts and intertexts of this innovative poet bringing Les Chants de Maldoror and PoEsies to the foreground of contemporary critical debates around poetics genre intertextuality and influence This book will make a major contribution to our understanding not only of the work of LautrEamont but also to the function of originality imitation and plagiarism in the nineteenth century **Richard Aldington & H.D.** Richard Aldington,Hilda Doolittle,1995 Editor Zilboorg draws on the later 1929 1961 correspondence between the life long friends and one time spouses and seminal literary Modernists Richard Aldington 1892 1962 and Hilda Doolittle 1886 1961 to explore their personal and professional lives their friendships and topics which concerned them both including sexuality and the role of literature in the modern world Distributed by St Martin s Press Annotation copyright by Book News Inc Portland OR **Crossroads in Literature and Culture** Jacek Fabiszak,Ewa Urbaniak-Rybicka,Bartosz Wolski,2012-11-05 The book contains a selection of papers focusing on the idea of crossing boundaries in literary and cultural texts composed in English The authors come from different methodological schools and analyse texts coming from different periods and cultures trying to find common ground the theme of the volume between the apparently generically and temporarily varied works and phenomena In this way a plethora of perspectives is offered perspectives which represent a high standard both in terms of theoretical reflection and in depth analysis of selected texts

Consequently the volume is addressed to a wide scope of both scholars and students working in the field of English and American literary and cultural studies furthermore it will be of interest also to students interested in theoretical issues linked with investigations into literature and culture **Publishers, Readers and the Great War** Vincent Trott, 2017-10-05

Literature is at the heart of popular understandings of the First World War in Britain and has perpetuated a popular memory of the conflict centred on disillusionment horror and futility This book examines how and why literature has had this impact exploring the role played by authors publishers and readers in constructing the memory of the war since 1918 It demonstrates that publishers were as influential as authors in shaping perceptions of the conflict and it provides a detailed analysis of critical and popular responses to war books tracing the evolution of readers attitudes to the war between 1918 and 2014 By exploring the cultural legacy of the war from these two previously overlooked perspectives Vincent Trott offers fresh insights regarding the emergence of a collective memory of the First World War in Britain Drawing on a broad range of primary source material including publishers correspondence dust jackets adverts book reviews and diary entries and examining canonical authors such as Wilfred Owen Siegfried Sassoon and Vera Brittain alongside long forgotten texts and more recent autobiographical works by Harry Patch and Henry Allingham **Publishers Readers and the Great War** provides a rich and nuanced analysis of the climate within which First World War literature was written published and received since 1918 **Ernst Jünger and Germany** Thomas R. Nevin, 1996

For most of his life Ernst Jünger one of Europe's leading twentieth century writers has been controversial Renowned as a soldier who wrote of his experience in the First World War he has maintained a remarkable writing career that has spanned five periods of modern German history In this first comprehensive study of Jünger in English Thomas R. Nevin focuses on the writer's first fifty years from the late Wilhelmine era of the Kaiser to the end of Hitler's Third Reich By addressing the controversies and contradictions of Jünger a man who has been extolled despised denounced and admired throughout his lifetime **Ernst Jünger and Germany** also opens an uncommon view on the nation that is if uncomfortably represented by him Ernst Jünger is in many ways Germany's conscience and much of the controversy surrounding him is at its source measured by his relation to the Nazis and Nazi culture But as Nevin suggests Jünger can more specifically and properly be regarded as the still living conscience of a Germany that existed before Hitler Although his memoir of service as a highly decorated lieutenant in World War I made him a hero to the Nazis he refused to join the party A severe critic of the Weimar Republic he has often been denounced as a fascist who prepared the way for the Reich but in 1939 he published a parable attacking despotism Close to the men who plotted Hitler's assassination in 1944 he narrowly escaped prosecution and death Drawing largely on Jünger's untranslated work much of which has never been reprinted in Germany Nevin reveals Jünger's profound ambiguities and examines both his participation in and resistance to authoritarianism and the cult of technology in the contexts of his Wilhelmine upbringing the chaos of Weimar and the sinister culture of Nazism Winner of Germany's highest literary awards Ernst Jünger is regularly

disparaged in the German press His writings as this book indicates put him at an unimpeachable remove from the Nazis but neo Nazi rightists in Germany have rushed to embrace him Neither apology whitewash nor vilification Ernst J nger and Germany is an assessment of the complex evolution of a man whose work and nature has been viewed as both inspiration and threat The Flower of Battle Hugh Cecil,1995 **The Writers Directory** ,2013 *Samuel Beckett* Fionnuala

Croke,2006 The National Gallery of Ireland was one of Samuel Beckett s favorite Dublin haunts He whiled away many hours there and was particularly drawn to works by Perugino Poussin Rembrandt and Rubeens Encouraged by his friend Thomas MacGreevy who later became director of the Gallery Beckett developed a life long passion for art Essays trace Beckett s interest in art from its origins in the National Gallery through his admiration for the work of Jack B Yeats to his art criticism and associations with contemporary artists including Bram van Velde Alberto Giacometti and Avigdor Arikha The book concludes with the proceedings of the round table discussion Samuel Beckett and the Visual Arts Contributors include Nicholas Allen John Banville Riann Coulter Dellas Henke Charles Klabunde James Knowlson R c mi Labrusse David Lloyd Breon Mitchell Lois Oppenheim Peggy Phelan and Susan Schreibman **Current Research in Britain** F T Energy,1996-09
