Richard Brome A Study Of His Life And Works:

Richard Brome Clarence Edward Andrews, 2014-03-30 This Is A New Release Of The Original 1913 Edition *Richard Brome* Clarence Edward Andrews, 2015-06-27 Excerpt from *Richard Brome A Study of His Life and Works* This study is but a part of the original thesis the title of which was *Richard Brome a Study of his Life and Works with an Edition of the Antipodes* reprinted from the Quarto of 1640 with Introduction Notes and Glossary The edition of the play I hope to bring out later My aim in the present study has been first to bring together all the facts previously known about Brome together with the results of research on his work up to the present time To this material I have been able to add a considerable number of biographical details and have made a study of his position with relation to his contemporaries the structure of his plays and the influences exerted upon him To this I have added in an appendix a special study of one play as illustrative of the statements made about his work in general Though the study of Brome by my predecessor Dr E K R Faust Halle 1887 is in general a careful piece of work so much has been added to our knowledge of Elizabethan drama during the twenty five years that have elapsed since the publication of his thesis that it seemed to me the ground might be profitably surveyed again from a different point of view About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Richard Brome* Clarence Edward Andrews, 1913 Richard Brome Clarence Edward Andrews, 2017-09-16 Excerpt from *Richard Brome A Study of His Life and Works* This study is but a part of the original thesis the title of which was *Richard Bromo a Study O his Life and Works with an Edition of the Antipodes* reprinted from the Quarto o 1640 with Introduction N ates and Glossary The edition of the play I hope to bring out later My aim in the present study has been first to bring together all the facts previously known about Brome together with the results of research on his work up to the present time To this material I have been able to add a considerable number of biographical details and have made a study of his position with relation to his contemporaries the structure of his plays and the in uences exerted upon him To this I have added in an appendix a special study of one play as illustrative of the statements made about his work in general Though the study of Brome by my predecessor Dr E K R Faust halle is in general a careful piece of work so much has been added to our knowledge of Elizabethan drama during the twenty five years that have elapsed since the publication of his thesis that it seemed to me the ground might be profitably surveyed again from a different point of view My thanks are due first to Professor Henry A Beers under whom the thesis was written to Professors Albert S Cook and John M Berdan for valuable suggestions and criticisms to Professor Charles W Wallace of the University of Nebraska for the use of some

manuscript notes to my colleague Professor Charles W Cobb For assistance with the section on Brome's versification and finally I feel especially grateful to Dr William P About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

RICHARD BROME Clarence Edward Andrews, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Richard Brome; a Study of His Life and Works Clarence Edward Andrews, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1913 edition Excerpt SOURCES AND INFLUENCES Langbaine who did very creditable work for a pioneer in literary criticism says of Brome His plots were his own and he forged all his various Characters from the mint of his own experience and judgement Tis not therefore to be expected that I should be able to trace him who was so excellent an imitator of his master that he might truly pass for an original This easy way of dismissing the whole matter of literary influence will unfortunately not satisfy the demands of modern scholarship There are but two plays for which undoubted sources for the main idea of the plot have been discovered the Jovial Crew and the Queen and the Concubine 1 The Jovial Crew has its source as Dr Faust has shown 2 in Middleton and Rowley's Spanish Gipsy He proves that Brome did not go back to the original sources of his story two novels of Cervantes La Gitanilla and La Fuerza de la Sangre but worked from the English play founded on them 3 The treatment of this plot shows much originality The atmosphere motives characters and conclusion are completely changed The source of the Queen and Concubine is followed much more closely Professor Koeppel discovers this to be Greene's Penelope's Web 4 1587 Brome has enlarged upon the simple plan with additional characters and much romantic decoration but he has kept not only the kernel of Greene's plot but

also in several places his actual wording 1 1 I do not include the Lancashire Witches because the principal share is due to Heywood See above pp 48 ff 2 Op tit p 85 3 He adds an important suggestion from the Gipsies Metamorphosed and gives a list of six plays in which scenes of the forest and fields occur Quellen und Forschungen 1897 82 209 The sources The Life and Poems of Richard Edwards Leicester Bradner, 1927 **Bulletin [1908-23]** Boston Public Library, 1912 *A Register of Bibliographies of the English Language and Literature* Clark Sutherland Northup, Joseph Quincy Adams, Andrew Keogh, 1925 **Yale Studies in English**, 1914 Bulletin English Association, London, 1913 **Profession of Dramatist in Shakespeare's Time, 1590-1642** Gerald Eades Bentley, 2015-03-08 Gerald Eades Bentley assembles and analyzes the extant theatrical materials of the sixteenth and seventeenth centuries His discussion of the working conditions of professional dramatists like Thomas Heywood John Fletcher and Philip Massinger as well as William Shakespeare rounds out the fascinating picture of the professionalism that developed in the great days of Elizabethan and Jacobean theatre Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Monograph Series* Modern Language Association of America, 1927 *A Critical Edition of John Fletcher's Comedy, Monsieur Thomas, or, Father's Own Son* John Fletcher, 2019-03-07 Published in 1987 This thesis presents an edition of the author's play Monsieur Thomas with a substantial introduction in several sections and a sizeable apparatus **Historical Dictionary of British Theatre** Darryll Grantley, 2013-10-10 British theatre has a greater tradition than any other having started all the way back in 1311 and still going strong today But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899 Still this is almost six centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw And they wrote some of the finest plays ever which are known around the world So there is plenty for this book to cover just with the playwrights plays and actors but it also has information on stagecraft and theatres as well as the historical and political background This book has over 1 183 entries in the dictionary section these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres legislative acts and some technical jargon Then there are entries on the different genres from comedy to tragedy and everything in between Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview The Historical Dictionary of Early British Theatre concludes with a pretty massive bibliography That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary

theatre goers will also find useful information **MLN.** ,1913 **The Idea of the Antipodes** Matthew Boyd Goldie,2010-01-31 This book will be the first study to focus exclusively on presentations of the antipodes Taking into account maps letters book illustrations travel writing poetry and drama Goldie reveals that the history of the idea of the antipodes might be seen as different modes or discourses mathematical and geographical in the earliest era cartographical and kinetic in the medieval period social and sexual in the Early Modern sartorial and littoral in the eighteenth and nineteenth centuries and bodily and humorous in the latest era **Publications** University of Michigan,1926 **Drama of a Nation** Walter Cohen,2019-06-30 During the sixteenth and seventeenth centuries in the midst of an international florescence of drama the English and Spanish theaters displayed striking and unique similarities Although these two national theaters developed in relative isolation from each other in both countries the plays synthesized native popular traditions and neoclassical learned conventions a synthesis found neither in the more elite Italian and French drama of the time nor in any other European drama before or since In *Drama of a Nation* Walter Cohen illuminates the causes of this significant parallel development Working from a Marxist perspective Cohen seeks to establish correlations among individual plays dramatic genres theatrical institutions cultural milieus and political and economic systems He argues that the drama owed its distinctiveness to the public theaters especially of London and Madrid which opened in the 1570s and closed under government order seventy years later Both drama and theater in turn depended on a relative cultural homogeneity perpetuated by a state that primarily served the aristocracy Absolutism he maintains first fostered and then undermined the public theater **Staging Authority in Caroline England** Jessica Dyson,2016-04-01 Considering plays by Philip Massinger Richard Brome Ben Jonson John Ford and James Shirley this study addresses the political import of Caroline drama as it engages with contemporary struggles over authority between royal prerogative common law and local custom in seventeenth century England How are these different aspects of law and government constructed and negotiated in plays of the period What did these stagings mean in the increasingly unstable political context of Caroline England Beginning each chapter with a summary of the legal and political debates relevant to the forms of authority contested in the plays of that chapter Jessica Dyson responds to these kinds of questions arguing that drama provides a medium whereby the political and legal debates of the period may be presented to and debated by a wider audience than the more technical contemporary discourses of law could permit In so doing this book transforms our understanding of the Caroline commercial theatre s relationship with legal authority

Decoding **Richard Brome A Study Of His Life And Works**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
