Richard Downing Economic Advocacy And Social Reform In Australia:

Richard Downing Nicholas Brown, 2001 In this first biography of Downing Nicholas Brown is particularly interested to examine his rich and complex contributions to public debate in Australia Downing's interests ranged widely from economics to the arts and education and their expression has much to tell us about Australian politics and society Readers will find many revealing insights into the discussion and formation of public policy during the post war decades and into a particular style of Australian liberalism The story of Richard Downing's life will fascinate readers and its telling illuminates many aspects of contemporary Australian history **BOOK JACKET** *A History of Australasian Economic Thought* Alex Millmow, 2017-07-14 This book explains how Australian and New Zealand economists exerted influence on economic thought and contributed to the economic life of their respective countries in the twentieth century Besides surveying theorists and innovators this book also considers some of the key expositors and builders of the academic economics profession in both countries The book covers key economic events including the Great Depression the Second World War the post war boom and the great inflation that overtook it and lastly the economic reform programs that both Australia and New Zealand undertook in the 1980s *Australia's Boldest Experiment* Stuart Macintyre, 2015-06-01 In this landmark book Stuart Macintyre explains how a country traumatised by World War I hammered by the Depression and overstretched by World War II became a prosperous successful and growing society by the 1950s An extraordinary group of individuals notably John Curtin Ben Chifley Nugget Coombs John Dedman and Robert Menzies re made the country planning its reconstruction against a background of wartime sacrifice and austerity The other part of this triumphant story shows Australia on the world stage seeking to fashion a new world order that would bring peace and prosperity This book shows the 1940s to be a pivotal decade in Australia At the height of his powers Macintyre reminds us that key components of the society we take for granted work welfare health education immigration housing are not the result of military endeavour but policy planning politics and popular resolve *Educating for Business, Public Service and the Social Sciences* Peter Groenewegen, 2009 Tertiary economics and business education started early in Australia but was not organised on a faculty basis until the 20th century Commerce and business teaching at Sydney University began in 1906 and from 1920 was taught in the Faculty of Economics together with public administration and accounting Its progress for the next 80 years is chronicled in this comprehensive history of the Faculty of Economics The book presents a broad overview of staff students and courses of study during Depression war postwar reconstruction student unrest and successful moves to add further Business studies A prelude surveys the 19th century beginnings and the epilogue presents the varied education opportunities offered for the 21st century by the Faculty of Economics and Business **The Australian Study of Politics** R. Rhodes, 2009-11-11 The Australian Study of Politics provides the first comprehensive reference book on the history of the study of politics in Australia whether described as political studies or political science It focuses on Australia and on developments since WWII also

exploring the historical roots of each major subfield

The Power of Economic Ideas Alex Millmow, 2010-05-01

Economics Keynes once wrote can be a very dangerous science Sometimes though it can be moulded to further the common good though it might need a leap in mental outlook a whole new zeitgeist to be able to do so This book is about a transformation in Australian economists thought and ideas during the interwar period It focuses upon the interplay between economic ideas players and policy sometimes in the public arena In a decade marked by depression recovery and international political turbulence Australian economists moved from a classical orthodox economic position to that of a cautious Keynesianism by 1939 We look at how a small collective of economists tried to influence policy making in the nineteen thirties Economists felt obliged to seek changes to the parameters as economic conditions altered but more importantly as their insights about economic management changed There are three related themes that underscore this book Firstly the professionalisation of Australian economics took a gigantic leap in this period aided in part by the adverse circumstances confronting the economy but also by the aspirations economists held for their discipline A second theme relates to the rather unflattering reputation foisted upon interwar economists after 1945 That transition underlies a third theme of this book namely how Australian economists were emboldened by Keynes's General Theory to confidently push for greater management of economic activity By 1939 Australian economists conceptualized from a new theoretic framework and from one which they advanced comment and policy advice This book therefore will rehabilitate the works of Australian interwar economists arguing that they not only had an enviable international reputation but also facilitated the acceptance of Keynes's General Theory among policymakers before most of their counterparts elsewhere

A Century of Influence

Renate Howe, 2009 The Australian Student Christian Movement has provided a forum for exploring spirituality and social issues in the nation's universities for over a century Prime Ministers Robert Menzies and Bob Hawke were ASCM members The ASCM was opposed to racism at home and abroad founding Aust Volunteers Abroad and opposing White Australia Policy

Old Age in Australia Pat Jalland, 2015-01-05 The Australian population is rapidly getting older demanding important policy and service decisions This groundbreaking book is the first to explore a 100 year history of older people in Australia from 1880 to 1980 Over that period the aged suffered as forgotten people until 1945 when there was the promise of a new deal for the elderly Major themes examined include family histories of aged care poverty social and medical policy gender the impact of wars and economic depression housing nursing homes and the retirement debates Old Age in Australia provides essential historical context for current discussions about the implications of ageing in Australia

The Seven Dwarfs and the Age of the Mandarins Samuel Furphy, 2015-07-06 In the history and folklore of Australia's Commonwealth Public Service the idea of the Seven Dwarfs has been remarkably persistent Originally a witty epithet applied to a powerful group of senior public servants the term has come to represent the professionalisation of Australian government administration during the Second World War and post war reconstruction era and into the following two decades of expansion This was a period

when for the first time talented university graduates entered the public service rose to senior levels and exerted great influence over the affairs of the Commonwealth With the secure tenure of being permanent heads of departments they defined the age of the public service mandarin This book explores the lives and influence of the Seven Dwarfs and their colleagues bringing together the leading researchers on post war Australian administration Featuring four thematic chapters and ten biographical portraits it offers a fascinating insight into the workings of the Commonwealth Public Service during a critical period in its history Australian Political Lives John Nethercote, Tracey Arklay, John Wanna, 2006-10-01 This monograph brings together some of the best practitioners of the art and craft of political biography in Australia They are simultaneously some of our best scholars who at least in part have turned their attention to writing Australian political lives They are not merely chroniclers of our times but multidisciplinary analysts constructing layers of explanation and theoretical insight They include academic professional and amateur biographers scholars from a range of disciplines politics history sociology public administration gender studies and politicians who for a time strutted the political stage The assembled papers explore the strengths and weaknesses of the biographical approach the enjoyment it can deliver the problems and frustrations of writing biographies and the various ways the project can be approached by those constructing these lives They probe the art and craft of the political biographer *Peter Sculthorpe* Graeme Skinner, 2015-10-01 Peter Sculthorpe who died in 2014 remains Australia's best known composer and is widely held to be the most important creative musical spirit the country has produced Beautifully written and fastidiously researched this authorised biography provides an insight into Sculthorpe's formative years his quest for personal voice and his arrival through many creative friendships and collaborations at a place in the collective heart of the nation It charts the realisation of a youthful vocation to become not merely a composer but an Australian composer Graeme Skinner's biography is also a social history examining Sculthorpe's unique role in the creation of Australian musical modernism in the 1960s an important era in Australia's cultural evolution

Historical Dictionary of Australia Norman Abjorensen, James C. Docherty, 2014-12-05 Australia's development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

Nugget Coombs Tim Rowse, 2005-09-27 H C Coombs was one of the most influential Australians of the twentieth century

Born in 1906 he is best known as the governor of the Reserve Bank but the breadth of his activities and his commitment to public life until his death is unsurpassed Tim Rowse traces Coombs life from his childhood in Western Australia to his many roles as policy maker change agent advocate and adviser Particularly interested in Coombs as an economist Tim Rowse shows that a key motif in his life as a public servant was to create an economic rationality among the political elite that was socially integrative and that looked beyond the strictures of economics to environmental sustainability scientific and artistic creativity This 2002 book covers Coombs life from birth to death providing intriguing insights into the life of one of Australia s most influential people The to Z of Australia James C. Docherty,2010-04 The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through **Integrity and Historical Research** Tony Gibbons,Emily Sutherland,2012-03-12 Integrity and Historical Research offers a stimulating discussion about the ethical use of historical research material by writers and filmmakers What does using another s research with integrity really entail 'Now is the Psychological Moment' Stephen Wilks,2020-10-12 Earle Christmas Grafton Page 1880 1961 surgeon Country Party leader treasurer and prime minister was perhaps the most extraordinary visionary to hold high public office in twentieth century Australia Over decades he made determined efforts to seize the psychological moment and thereby realise his vision of a decentralised regionalised and rationally ordered nation Page s unique dreaming of a very different Australia encompassed new states hydroelectricity economic planning cooperative federalism and rural universities His story casts light on the wider place in history of visions of national development He was Australia s most important advocate of developmentalism the important yet little studied stream of thought that assumes that governments can lead the nation to realise its economic potential His audacious synthesis of ideas delineated and stretched the Australian political imagination Page s rich career confirms that Australia has long inspired popular ideals of national development but also suggests that their practical implementation was increasingly challenged during the twentieth century Effervescent intelligent and somewhat eccentric Page was one of Australia s great optimists Few Australian leaders who stood for so much have since been so neglected The Martin Presence Peter Beilharz,Trevor Hogan,Sheila Shaver,2015-06-01 Jean Martin was a pioneer of sociology inventing a version of the discipline that was uniquely suited to Australia in the post war period Jean Isobel Martin 1923 79 made herself a sociologist before the discipline was established in Australia Regarded as a founder of Australian sociology her writing teaching and policy helped shape Australia in the period of economic growth and social development that followed World War II The Martin Presence is a biography that examines her life and her work across the concerns of the time the needs of country towns the factory work floor families and urban structure poverty and inequality education and immigration and explores her far reaching influence on the social sciences in Australia Managing Diversity Linda Cardinal,Nicholas Brown,2007-10-15 Australia Canada and Ireland are all
