Richard Halliburtons Complete Of Ma:

Sylvia Plath Day by Day, Volume 1 Carl Rollyson, 2023-08-14 Since Sylvia Plath's death in 1963 she has become the subject of a constant stream of books biographies and articles She has been hailed as a groundbreaking poet for her starkly beautiful poems in *Ariel* and as a brilliant forerunner of the feminist coming of age novel in her semiautobiographical *The Bell Jar* Each new biography has offered insight and sources with which to measure Plath's life and influence *Sylvia Plath Day by Day* a two volume series offers a distillation of this data without the inherent bias of a narrative Volume 1 commences with Plath's birth in Boston in 1932 records her response to her elementary and high school years her entry into Smith College and her breakdown and suicide attempt and ends on February 14 1955 the day she wrote to Ruth Cohen principal of Newnham College Cambridge to accept admission as an affiliated student at Newnham College to read for the English Tripos *Sylvia Plath Day by Day* is for readers of all kinds with a wide variety of interests in the woman and her work The entries are suitable for dipping into and can be read in a minute or an hour Ranging over several sources including Plath's diaries journals letters stories and other prose and poetry including new material and archived material rarely seen by readers a fresh kaleidoscopic view of the writer emerges [The Massachusetts Teacher](#) ,1929 **The Glamour of Strangeness** Jamie James, 2016-08-09 From the early days of steamship travel artists stifled by the culture of their homelands fled to islands jungles and deserts in search of new creative and emotional frontiers Their flight inspired a unique body of work that doesn't fit squarely within the Western canon yet may be some of the most original statements we have about the range and depth of the artistic imagination Focusing on six principal subjects Jamie James locates a lost national school of artists who left their homes for the unknown There is Walter Spies the devastatingly handsome German painter who remade his life in Bali Raden Saleh the Javanese painter who found fame in Europe Isabelle Eberhardt a Russian Swiss writer who roamed the Sahara dressed as an Arab man the American experimental filmmaker Maya Deren who went to Haiti and became a committed follower of voodoo From France Paul Gauguin left for Tahiti and Victor Segalen a naval doctor poet and novelist immersed himself in classical Chinese civilization in imperial Peking In *The Glamour of Strangeness* James evokes these extraordinary lives in portraits that bring the transcultural artist into sharp relief Drawing on his own career as a travel writer and years of archival research uncovering previously unpublished letters and journals James creates a penetrating study of the powerful connection between art and the exotic [Hollywood North](#) Michael Libling, 2020-07-14 Libling's assured quietly menacing debut is based on his World Fantasy Award nominated novella of the same title Fans of *Stand by Me* and the like will find much to enjoy Publishers Weekly It's the 1960s and Gus Berry is coming of age in Trenton a small town on the north shore of Lake Ontario The place isn't known for much unless you count the menacing stray dogs plant explosions plane collisions and regular drownings The adults seem to take it all in stride but Gus can't shake the feeling of impending doom His friend Annie Barker doesn't share Gus's dark thoughts she believes in things So Gus goes about his days

surviving school trying to live up to his widowed mother's expectations and growing increasingly obsessed with movies and TV shows. Indeed, he scripts his life to make it way more exciting and adventurous than it actually is. Gus is clearly a boy who wants things which makes Jack Levin the perfect friend. He's a local hero famous for finding stuff: a message in a bottle, a meteorite, a long lost wedding ring. And when Jack makes his most mysterious discovery yet, Gus and Annie are drawn with him into an investigation of Trenton's past. Guided by their curiosity, they soon uncover a malignant darkness behind the town's senseless tragedies. In *Hollywood North*, World Fantasy Award nominated author Michael Libling spins a tale of movies and memories, nightmares and nostalgia with such a frightening secret at its core that you'll understand why, even though you can go home again, you might end up wishing you didn't. Ian Rogers, author of *Every House Is Haunted*. A fine first novel. Bradbury might have sketched out this mode in the darker parts of *Dandelion Wine* and the entirety of *Something Wicked This Way Comes*, but contemporary authors such as Libling are showing us refinements of sensibility and sense of wonder that the old Waukeganian never dreamed of. Locus **Bulletin**, Massachusetts Library Club, 1927 **Matrix**, 1928 The Editor, 1929

Horizon Chasers Gerry Max, 2007-03-07 Richard Halliburton was the quintessential world traveler of the early 20th century. In 1930, his celebrity equaled that of Charles Lindbergh and Amelia Earhart. Halliburton called himself a horizon chaser and recommended that one should see the world before committing to a routine. Not only did he live up to his ideal, but he was eager to write about his adventures. A prolific partnership with gifted editor and ghost writer Paul Mooney produced excellent work, and theirs became a close personal relationship. Sadly, Halliburton and Mooney disappeared at sea on March 24, 1939, along with the entire crew of Halliburton's Chinese junk *Sea Dragon* as they attempted to cross the Pacific from Hong Kong to the San Francisco World's Fair. This biography records the life and adventures of Halliburton and Mooney, focusing as no other Halliburton biography has on the productive literary collaboration between the two. Drawing on the recollections of people who knew them, both the work discusses their backgrounds, the early years of their acquaintance, and their possible romantic relationship. Finally, their fateful journey to Hong Kong and the ill-advised voyage of the *Sea Dragon* is described in detail. A good deal of first-hand evidence is provided by William Alexander, Paul Mooney's best friend and designer of Halliburton's Laguna Beach house. Appendices contain seven poems by Mooney and facsimile letters, including one of praise written by Richard Halliburton to William Alexander. Never before published photographs are also included.

100 Amazing Facts About the Negro Henry Louis Gates, Jr., 2017-10-24 The first edition of Joel Augustus Rogers's now legendary *100 Amazing Facts About the Negro with Complete Proof*, published in 1934, was billed as *A Negro Believe It or Not*. Rogers's little book was priceless because he was delivering enlightenment and pride steeped in historical research to a people too long starved on the lie that they were worth nothing. For African Americans of the Jim Crow era, Rogers's was their first black history teacher. But Rogers was not always shy about embellishing the facts and minimizing ambiguity; neither was he above shock journalism, now and then. With *lan* and erudition and with winning enthusiasm, Henry Louis Gates Jr. gives us a

corrective yet loving homage to Roger's work Relying on the latest scholarship Gates leads us on a romp through African diasporic and African American history in question and answer format Among the one hundred questions Who were Africa's first ambassadors to Europe Who was the first black president in North America Did Lincoln really free the slaves Who was history's wealthiest person What percentage of white Americans have recent African ancestry Why did free black people living in the South before the end of the Civil War stay there Who was the first black head of state in modern Western history Where was the first Underground Railroad Who was the first black American woman to be a self made millionaire Which black man made many of our favorite household products better Here is a surprising inspiring sometimes boldly mischievous all the while highly instructive and entertaining compendium of historical curiosities intended to illuminate the sheer complexity and diversity of being Negro in the world With full color illustrations throughout *The Forum* ,1927
