Richard Harris:

Richard Harris Joe Jackson, 2022-11-18 In 1987 when Richard Harris the legendary star of *This Sporting Life* *The Field* and *Harry Potter and the Philosopher's Stone* was interviewed for the first time by Joe Jackson they almost came to blows Jackson was determined to unearth deeper truths about the actor than he usually disclosed during interviews Harris had manipulated the media all his life largely to keep people from getting to really know him However by the time that interview ended they had become firm friends It was only then that Jackson told Harris I want to show the public that there is far more to you than your superficial image as a boozing brawling womaniser Harris loved this idea and two years later he asked Jackson to write his biography *Richard Harris Raising Hell and Reaching for Heaven* is that biography But it is much more besides Based on a searingly honest series of interviews Jackson recorded with Harris between 1987 and 2001 plus the author's journal entries and extensive notes this book is also a part memoir that tells a highly personal and moving back story about why it was inevitable that Jackson and Harris would connect at the deepest possible level This book will finally prove beyond a doubt that there was far more to Richard Harris indisputably one of Ireland's greatest actors as well as a Grammy award winning recording artist and published poet than has previously been revealed **A Man Called Harris** Michael

Sheridan, Anthony Galvin, 2013-09-01 Richard Harris was a giant who oozed charisma on screen But off screen he was troubled and addicted to every pleasure life could offer Coming from a repressed Irish Catholic background he was forced by a teenage illness to abandon his beloved rugby but not his macho appetites Discovering theatre saved him He had found his calling Despite marrying the daughter of a peer he never tried to fit in He was always a hell raiser to the core along with legendary buddies Richard Burton and Peter O Toole But he was more he was a gifted poet and singer He was an intelligent family man who took great interest in his craft a Renaissance man of the film world Every time his excesses threatened to kill his career and himself he rose magnificently from the ashes first with an Oscar winning performance as Bull McCabe in *The Field* then in the *Harry Potter* franchise **Behaving Badly: Richard Harris** Cliff Goodwin, 2011-05-31 Richard Harris was
