Richard III Cabunabrg:

History of the Life and Reign of Richard the Third James Gairdner, 1879 **Richard III Crown and People** James Petre, 1985 The Life and Death of King Richard III Annotated The Life and Death of King Richard I. I. I. Annotated Shakespeare, 2021-06-27 A historical play by William Shakespeare describing the life and death of Richard III The play begins with Richard describing the accession to the throne of his brother King Edward IV of England eldest son of the late Richard Duke of York Richard plots to have his brother Clarence who stands before him in the line of succession conducted to the Tower of London over a prophecy he bribed a soothsayer to finagle the suspicious King with **King Richard III** William Shakespeare, 1916 More's History of King Richard III. Saint Thomas More, Sir Thomas More (Saint), 1883 *Richard III* Desmond Seward, 1983 *The Life and Death of Richard III.* William Shakespeare, 1768 Richard III Sir Clements Robert Markham, 1906 *The Unpopular King* Alfred Owen Legge, 1885 The Tragical History of King Richard III Colley Cibber, 1753 *Richard III* Matthew Lewis, 2018-09-15 A definitive new biography of one of British history's most controversial figures that seeks to bring peace to Richard III's reputation *Royal Blood* Bertram Fields, 2000 Notoriously immortalized by Shakespeare and historians Richard III is history's most infamous royal villain In this boo US litigator Bertram Fields goes back more than 500 years to review the case of Richard and the princes in the tower Applying the same modern techniques he successfully uses in the courtroom Fields outlines and evaluates the arguments on both sides and weighs the evidence aiming to offer the definitive truth about this extraordinary man The life and death of king Richard iii, a tragedy restored and re-arranged, as performed at the Theatre Royal, Covent garden [ed. by W.C. Macready]. William Shakespeare, 1821 *Richard III* Sir Clements Robert Markham, 1906 First published in 1906 this work was one of the first and most important Ricardian apologies for a general readership A distinguished geographer whose long career had involved voyaging to the Arctic in search of Sir John Franklin as well as travels in Peru and India Sir Clements Markham 1830 1916 had played a crucial role in launching Scott's first expedition to Antarctica in 1901 Markham also had a long standing interest in the reputation of England's last Plantagenet king The first part of this book presents the life of Richard while the second half is devoted to a thorough examination of the charges laid against the monarch by the Tudors and later historians Markham seeks to expose these charges as unfair and unfounded The work also includes genealogical tables and a map of the Battle of Bosworth Field The history of king Richard the third. [Followed by] Continuation of the historie of Richard iii. from Grafton's Chronicle Thomas More (st.), 1821 **Richard the Third** Paul Murray Kendall, 1956 The best biography of Richard III that has been written A L Rowse Chicago Tribune Paul Murray Kendall's masterful account of the life of England's King Richard III has remained the standard biography of this controversial figure **Richard III** Charles Ross, 1983 Examines how Richard came to power in fifteenth century Britain and attempts to reconcile his ruthless political actions with his beneficent rule The Life and Times of Richard III Anthony Cheetham, 1998 Richard III is one of the most

mysterious and controversial figures in English history His early life is overshadowed by the prominence of his older brothers Edward the sun of York and the feckless Clarence and comparatively little is known about him But the untimely death of Edward IV in 1483 forced Richard into the limelight and the last three years of his life have taken on the character of a detective story Did Richard really believe his brother and nephews were illegitimate Why did he seize the throne What did happen to the Princes in the tower It was only natural that Henry Tudor should vilify his predecessor and hold him responsible for ever heinous deed But some later historians have tried to redress the balance and portray him as the most unfairly maligned and glorious monarch of the period The author cuts through the legend and the propaganda and reaches back to retrace the forgotten period of Richard's life He thus places in context those final years before the last of the Plantagenets died on Bosworth Field
