Richard Jefferies A Bibliographical Study:

Richard Jefferies George Miller, Hugoe R. Matthews, 1993 Richard Jefferies is one of the major figures in the long tradition of British rural writers and yet in the century since his death there has been no descriptive bibliography of his work In this book which is based on over 20 years of collecting and researching the authors have documented more than 1500 individual items of material by or about Jefferies The main sections include a listing of all known periodical contributions with synopses of all those which have not been reprinted a description of all known published editions of his books whether original works or anthologies and a listing of all pertinent works about Jefferies in books and periodicals It includes the first complete record of the manuscripts held in the British Library and other public and private collections together with a chronological list of the published works and an an alphabetical index of Jefferies titles **Richard Jefferies, a Study ... With a Portrait. (Bibliographical Appendix).** Henry S. Salt, 1894 Richard Jefferies. A Critical Study. [With a Bibliography.] William John KEITH (M.A., Ph.D.), 1965 **Richard Jefferies** Brian Taylor, 1982 **Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies William Tinsley (1831-1902): Speculative Publisher Peter Newbolt, 2019-01-15 This title was first published in 2001 An account of the activities of 19th century publisher William Tinsley particularly in relation to his authors and his chosen way of making a living In considering the library publishing system that dominated all aspects of fiction in the latter part of the 19th century when down payments rather than royalties were the rewards of novelists it may be surprising to find how wide were the variations in prices that publishers paid for such work Differences appeared when individual publishers developed soft spots for particular authors and in consequence they sometimes made fools of themselves William Tinsley certainly did so on several occasions but was blessed at least in later life with the grace of never seriously regretting any of his mistakes Examples of the nature of this good hearted man are found in these pages This account relies to an extent on Tinsley s two volumes of memoirs *Literary Theories* William Baker, Julian Wolfreys, 1996-10-25 Every student of literature needs to understand how to use literary theory to analyse and interpret the text *Literary Theories* challenges the out dated notion that theory is something separable from the act of reading and interpretation and believing that the best way to learn is through practical application plunges the student into the midst of a range of critical readings Clearly argued and lucidly written these essays offer the student reader an interactive introduction to the ways in which contemporary literary theories challenge us to rethink interpretation literary writing and critical

Quarterly Index of Additions to the Milwaukee Public Library Milwaukee Public Library,1896 **The Rural Tradition** William J. Keith,1974-12-15 There is probably no single quality or characteristic besides love of the countryside that must inevitably distinguish a rural writer notes W J Keith However what distinguishes rural writing that belongs to literature from that belonging to natural history agricultural history etc is as Richard E Haymaker has observed the writer s means of revealing Nature as well as describing her In the final analysis the rural essayist paints neither landscapes nor self portraits instead he communicates the subtle relationship between himself and his environment offering for our inspection his own attitudes and his own vision We may be asked to look or to agree but more than anything else we are invited to share Ultimately then the best rural writing may be said to provide us in a phrase adapted from Robert Langbaum with a prose of experience Keith argues that non fiction rural prose should be recognized as a distinct literary tradition that merits serious critical attention In this book he tests the cogency of thinking in terms of a rural tradition examines the critical problems inherent in such writing and traces significant continuities between rural writers Eleven of the more important and influential writers from the seventeenth century to modern times come under individual scrutiny Izaak Walton Gilbert White William Cobbett Mary Russell Mitford George Borrow Richard Jefferies George Sturt George Bourne W H Hudson Edward Thomas Williamson and H J Massingham In examining these writers within the context of the rural tradition Keith rescues their works from the literary attic where they have too often been relegated as awkward misfits When studied together each throws fascinating light on the others and is seen to fit into a loose but nonetheless discernible line
