

A document dated March 1943 by Richard Korherr, chief statistician of the Third Reich. In late 1942, Himmler asked Korherr to prepare an interim report on the implementation of the Final Solution to the Jewish question. According to his 16-page document, about four million Jews had been given “special treatment” by the end of 1942

Official Statistics—A Plaything of Politics? Reimund Mink, 2023-01-03 This book describes official statistics as a tool to hold up a mirror to society but also as an instrument for those who can manipulate this mirror It addresses the precarious interaction of politics official statistics and ethical principles Three sets of themes can be derived from this relationship which are the focus of this book Political systems and guiding principles official statistics as a science of the state and ethical issues arising from them Ultimately the determining factor is the political system that exists in each case The book contains eleven chapters The first three focus on the key concepts of the book power and morality official statistics and policy making and ethical principles for statistical work Three further chapters focus on episodes that illustrate as drastic examples the misuse of official statistics over the past hundred years covering the situation in the Soviet Union the Third Reich and Greece The remaining five chapters take up current topics that pose particular challenges to official statistics These are the phenomena paraphrased by digitalisation globalisation happiness research overpopulation migration the Covid 19 pandemic and climate change The book is primarily aimed at statisticians working in national and international statistical institutions but also at readers interested in statistics national accounts economic and statistics history and ethical issues The Nazi Holocaust. Part 3: The "Final Solution". Volume 1 Michael Robert Marrus, 2015-06-03 This edition is the first of its kind to offer a basic collection of facsimile English language historical articles on all aspects of the extermination of the European Jews A total of 300 articles from 84 journals and collections allows the reader to gain an overview of this field The edition both provides access to the immense rich array of scholarly articles published after 1960 on the history of the Holocaust and encourages critical assessment of conflicting interpretations of these horrifying events The series traces Nazi persecution of Jews before the implementation of the Final Solution demonstrates how the Germans coordinated anti Jewish activities in conquered territories and sheds light on the victims in concentration camps ending with the liberation of the concentration camp victims and articles on the trials of war criminals The publications covered originate from the years 1950 to 1987 Included are authors such as Jakob Katz Saul Friedl nder Eberhard J ckel Bruno Bettelheim and Herbert A Strauss Richard Korherr and His Reports Gordon Press Publishers, 1996-10-01 **Messages of Murder** Ronald Headland, 1992 Included among these are descriptions of the main features of the reports and the various stages in their compilation examples and methodology of presentation of the killings and comparisons of reporting procedures and totals of victims shot by each of the four Einsatzgruppen The study begins by noting the post war discovery of the reports and then assumes a roughly chronological sequence in its overall treatment An outline of the major National Socialist agencies and general reporting practices before the war is followed by the events of the war as reflected in the reports Then the postwar life of the reports is

examined with particular reference to their use as legal evidence at Nuremberg as well as a consideration of their reliability as historical source material **Holocaust Denial as an International Movement** Stephen E. Atkins, 2009-04-30 The end of World War II saw an emergence of Holocaust dissent that began in Europe and has since developed into an international movement with adherents in almost every country in the world At first this denial was fueled by the desire to rehabilitate Adolf Hitler and the Nazi regime in an effort to reestablish a neo Nazi state In the following years coupled with the renewal of anti Semitism this dissent has been used as a means of denying the legitimacy of the state of Israel Despite these motivations the ultimate cause for concern is in the way this denial attracts its members by both challenging the existence of the Holocaust and the testimony of its witnesses By tracing the history causes and spread of Holocaust denial Atkins reveals the dangers this mindset poses to rational thinkers who become vulnerable to fringe ideas This book traces the state of the international Holocaust denial movement in the early 21st century grounding contemporary thought in the history of the movement Since Holocaust deniers have distorted the facts about this mass genocide Atkins discusses just what is known about the Holocaust from historical research conducted since World War II The role of negative racial genetics is explored in both Hitler s intellectual makeup and among the leaders of the German right wing including historians assessments of Hitler s anti Semitism motivations and decision making Also provided is a roll call of Holocaust dissenters in countries such as the United States Germany France Great Britain Russia and Italy among many others By analyzing the arguments of leaders within this expanding dissention movement this book demonstrates how extremists build informational links that have wide ranging effects The Destruction of the European Jews Raul Hilberg, 2003-01-01 Examines the history of persecution against European Jews discusses the definition of a Jew according to the German regime and describes the processes through which Jews were eliminated during the Holocaust years *Did Six Million Really Die?* Barbara Kulaszka, 1992 **Auschwitz Updated Edition** Deborah Dwork, Robert Jan van Pelt, Robert Jan Pelt, 2002-04-30 Auschwitz 1270 to the Present elucidates how the prewar ordinary town of Auschwitz became Germany s most lethal killing site step by step and in stages a transformation wrought by human beings mostly German and mostly male Who were the men who conceived created and constructed the killing facility What were they thinking as they inched their way to iniquity Using the hundreds of architectural plans for the camp that the Germans in their haste forgot to destroy as well as blueprints and papers in municipal provincial and federal archives Deborah Dwork and Robert Jan van Pelt show that the town of Auschwitz and the camp of that name were the centerpiece of Himmler s ambitious project to recover the German legacy of the Teutonic Knights and Frederick the Great in Nazi ruled Poland Analyzing the close ties between the 700 year history of the town and the five year evolution of the concentration camp in its suburbs Dwork and van Pelt offer an absolutely new and compelling interpretation of the origins and development of the death camp at Auschwitz And drawing on oral histories of survivors memoirs depositions and diaries the authors explore the ever more murderous impact of these changes on the

inmates daily lives *Republican Party Animal* David Cole,2014-05-19 David Stein brought right wing congressmen celebrities writers and entertainment industry figures together for shindigs closed to outsiders There was just one problem Stein was not who he claimed The Guardian In 2013 Republican hero David Stein made international headlines when he was unmasked as David Cole the notorious Jewish Holocaust denier who made an entirely different set of headlines in the 1990s with his videos from within the gates of Auschwitz and his appearances on shows like 60 Minutes and Donahue After a 25 000 bounty was put on his head by a violent extremist group Cole left behind the bizarre world of Holocaust denial a landscape populated by Hitler fetishists who Cole himself detested Then David Stein the Republican organizer was born Stein soon became a major force in the closed door world of Hollywood right wingers people who felt as alienated from the mainstream of their profession as Cole had felt as the lone Jewish Holocaust revisionist Soon enough Stein was working with major GOP power players and far right Hollywood A listers creating huge private events for the West Coast GOP elite until it all came crashing down when a vengeful former girlfriend outed him publicly Condemned by those who had previously lauded him Cole was left with nothing but his story And here he tells it warts and all including the first ever expos of the secretive Hollywood far right underground Friends of Abe **Genocide and Fascism** Aristotle Kallis,2008-09-25 This book investigates how fascism as an ideology and political praxis reconfigured the ideological political and moral landscape of interwar Europe generating an atmosphere of extreme license that facilitated the leap into eliminationist violence It demonstrates how fascist ideology linked the prospect of violent cleansing to utopias of national racial regeneration thus encouraging and legitimizing targeted hatred against particular others It also shows how the diffusion and internationalization of fascism in the 1930s produced a sense of a revolutionary new beginning and created a transnational fascist new order in which Nazi Germany came to occupy a potent position of authority The book analyzes how the eliminationist initiative and precedent of Nazi Germany became a second license that empowered fascist regimes across Europe to embark on their own eliminationist projects with diminished accountability Finally it examines how this license enhanced by the actions of fascists and the collapse of order caused by World War Two released individuals and communities from the burden of legal and moral accountability turning them into accomplices in the most wide brutal and devastating genocidal campaign that the continent had ever experienced Sobibor Jules Schelvis,2014-05-20 Auschwitz Treblinka The very names of these Nazi camps evoke unspeakable cruelty Sobibor is less well known and this book discloses the horrors perpetrated there Established in German occupied Poland the camp at Sobibor began its dreadful killing operation in May 1942 By October 1943 approximately 167 000 people had been murdered there Sobibor is not well documented and were it not for an extraordinary revolt on 14 October 1943 we would know little about it On that day prisoners staged a remarkable uprising in which 300 men and women escaped The author identifies only forty seven who survived the war Sent in June 1943 to Sobibor where his wife and family were murdered Jules Schelvis has written the first book length fully documented account

of the camp He details the creation of the killing centre its personnel the use of railways selections forced labour gas chambers escape attempts and the historic uprising In documenting this part of Holocaust history this compelling and well researched account advances our knowledge and understanding of the Nazi attempt to annihilate the European Jews Published in association with the United States Holocaust Memorial Museum *Heydrich* Mario R.
