Richard Pryor:

Richard Pryor Audrey Thomas McCluskey, 2008-09-17 This anthology captures the spirit zest and cultural impact of Pryor's complex artistry Back cover *Richard Pryor, a Man and His Madness* James Haskins, 1984-01-01 Traces the life of the popular Black comedian from his childhood in Peoria Illinois to his work on the nightclub circuit and his eventual success in movies and television Richard Pryor Jason Bailey, 2015-11-03 One of the most powerful yet idiosyncratic voices of American culture Richard Pryor often remains an enigma despite the strikingly personal quality of his best work This series of essays attempts tracks the parallels between the comic's work and the black experience contextualizing his art and persona among the tradition of Southern storytellers the Civil Rights movement and the complicated racial identity of Reagan's America Focusing on the broad diversity of Pryor's career from his albums to his concert films to his movies Jason Bailey attempts to answer a series of questions about this uniquely American entertainer Was Richard Pryor a product of his society or an instigator of it Was Richard reflecting us or were we reflecting Richard Was he a mirror or a prophet *If I Stop I'll Die* John A. Williams, 1994 Pryor Convictions Richard Pryor, 1995 *If I Stop, I'll Die* John A. Williams, Dennis A. Williams, 2006-12-21 Though it is hard to imagine what America will be like now that Richard Pryor has passed away it would be harder to imagine life if there had never been a Pryor teaching us to laugh and by laughing to see In the 1960s when many black performers were trying to open the color barrier comedian Richard Pryor was slamming into it with a vengeance Employing the language and attitude of the black ghetto he assaulted racism in comic routines that were both outrageous and screamingly funny *If I Stop I'll Die* examines the comedian's life and humor which not only reveals details of Pryor's troubled but brilliant career but also places these events within the context that shaped Pryor's outlook personality and opportunities It captures the irony that pervaded his life and career how he could present brilliantly universal material from such a militantly black perspective how the powers of Hollywood could force him to portray on film the very racial caricatures that he lampooned on stage how he could publicly flaunt his private exploits with embellished comedic versions of his drug use sexual adventures and bursts of violence while fiercely protecting the real facts behind such episodes

Pryor Lives! Cecil Brown, 2013-08-09 *Pryor Lives* How Richard Pryor Became Richard Pryor By Cecil Brown How did a scraggly standup comic become one of America's most controversial social satirists How did Richard Pryor take the traditional stand up form and used it to become a cultural hero Cecil Brown who after witnessing Mr Pryor's performance at Mandrake's in 1969 in Berkeley California became his running buddy for the next 30 years He traveled with Mr Pryor wrote screenplays for him and collaborated with him on other projects Using many years of intimate experiences behind the scenes Mr Brown traces the evolution of Mr Pryor's white bread comedy in which he imitated Bill Cosby to the hilariously raunchy material that catapulted him to international fame Following Mr Pryor's career from the small standup performances in Berkeley to his performances at the Comedy Store on Sunset Boulevard in Hollywood the author shows how Mr Pryor used

his stage performances to transform the harsh unforgiving realities of his life tax evasion domestic violence freebase meltdown heart attacks into classic American comic art Tracking Mr Pryor s rise to star power this book shows how Mr Pryor made Stand Up into an instrument of spontaneity and a serious platform for public joking If Pryor had stayed with this program he would have been just another brilliant comedian But as Brown reveals Mr Pryor went further His art depended on his locating exposing and tracking the demons that plagued his audience His performance on stage resembled a shaman performing a ritual of exorcism As a healer he used comedy to nurse the damaged souls of the counter culture the black power community the hippies the new age the born again Christians back to health There is no better example of this phenomena than the Hollywood Bowl incident that took place in 1977 in Los Angeles in which Mr Pryor addressed a 17 000 crowd that was celebrating support for Gay Pride He chastised the white and largely gay audience for not giving attention to the suffering of inner city Blacks The audience booed and hissed him As one member of the audience later recalled Pryor presented his backside to us and informed us we could kiss his rich black ass The honesty that Mr Pryor offered that evening still reverberates in our society today and has caused the gay community to become for aware of the misfortunate of others Written in a humorous scholarly witty style this biography earns the accolades that Pryor himself wrote about his friend I have never met a writer who loved his work as much as Cecil Brown Pryor wrote in praise of Brown s novel Days Without Weather 1983 The humor the warmth and even the smell are beautiful The gentleness with which he handles his memories of his character is great A great writer and a great friend he said on the Bicentennial Nigger album Book Reviews Forget about those other books written ostensibly about Richard Pryor Finally there is a sensitive revealing and truthful book concerning Richard Pryor and how he became the funniest man in America on stage and on film Part memoir and part eyewitness to Show Business history Cecil Brown s book PRYOR LIVES is the most definitive book to date about the late comedian s rise to unparalleled stardom From living and working in Berkeley California to being swallowed up by the infested shark filled waters of Hollywood the reader will see Richard Pryor with a new eye opening perspective as Cecil Brown writes with empathy and passion about Pryor s comedy his life style and the tragic events that encompassed his life Read this book It s ground breaking in its scope and style And it is funny as hell Robert N Zagone Film Director **Richard Pryor** Richard Pryor, 2005 **Richard Pryor** Jeff Rovin, 1984 **Richard Pryor** Joseph Nazel, 1981 *Richard Pryor* Fred Robbins, David Ragan, 1982 *Furious Cool* David Henry, Joe Henry, 2013-01-01 Provides a rare glimpse into the life of an outrageously human fearlessly black openly angry and profanely outspoken comedic genius whose humble beginnings as the child of a prostitute helped shaped him into one of the most influential and outstanding performers of our time **The Emergence of Crack Cocaine Abuse** Edith Fairman Cooper, 2002 Cocaine was once considered the elite s drug with a price so high that only the very wealthy could afford it and thought by many to be safe But during the 1980s a dangerous and cheap derivative began appearing on the street This drug crack is a cocaine free base produced relatively safely and easily Because of its low

production costs crack became popular among the lower classes leading to an epidemic in the late 1980s with estimates that over one million people used crack cocaine The drug s name became synonymous with gangs crime and violence Because of the intensity and apparent suddenness of the crack crisis people began to wonder if there were any warning signs public officials missed and how exactly crack spread across the nation Some even floated the theory that agencies like the CIA and FBI encouraged the use of crack in inner cities No matter where it came from crack is a menace that though no longer epidemic must be combated along with all other illegal drugs This book makes a close examination of the development responses to and effect of the crack cocaine crisis in the United States Included are descriptions of cocaine crack and the free basing process Also examined are the health questions surrounding the abuse problems and the allegations that governmental authorities had advance knowledge of crack With the war on drugs a perpetual and critical battle in America the facts and analyses presented here are of paramount importance to the understanding of a major issue of society s safety

Becoming Richard Pryor Scott Saul, 2015-12-08 A major biography intimate gripping revelatory of an artist who revolutionized American comedy Richard Pryor may have been the most unlikely star in Hollywood history Raised in his family's brothels he grew up an outsider to privilege He took to the stage originally to escape the hard bitten realities of his childhood but later came to a reverberating discovery that by plunging into the depths of his experience he could make stand up comedy as exhilarating and harrowing as the life he'd known He brought that trembling vitality to Hollywood where his movie career Blazing Saddles the buddy comedies with Gene Wilder Blue Collar flowed directly out of his spirit of creative improvisation The major studios considered him dangerous Audiences felt plugged directly into the socket of life Becoming Richard Pryor brings the man and his comic genius into focus as never before Drawing upon a mountain of original research interviews with family and friends court transcripts unpublished journals screenplay drafts Scott Saul traces Pryor's rough journey to the heights of fame from his heartbreaking childhood his trials in the Army and his apprentice days in Greenwich Village to his soul searching interlude in Berkeley and his ascent in the New Hollywood of the 1970s Becoming Richard Pryor illuminates an entertainer who by bringing together the spirits of the black freedom movement and the counterculture forever altered the DNA of American comedy It reveals that while Pryor made himself a legend with his own account of his life onstage the full truth of that life is more bracing still **Jet**, 1990-05-14 The weekly source of African American political and entertainment news

Jokes My Father Never Taught Me Rain Pryor, Cathy Crimmins, 2009-10-13 The loving witty yet brutally honest memoir of the daughter of comedy legend Richard Pryor Rain Pryor was born in the idealistic free love 1960s Her mother was a Jewish go go dancer who wanted a tribe of rainbow children Rain's father was Richard Pryor perhaps the most compelling and brilliant comedian of his era a man whose self destructiveness was as legendary as his groundbreaking comedy Jokes My Father Never Taught Me is an intimate harrowing poignant and often hilarious memoir that explores the divided heritage and the forces that shaped a wildly schizophrenic childhood It is the story of a girl who grew up adoring her father even as she feared him and feared for him as his drug problems got worse Both lovingly told and painfully frank it is an unprecedented look at the life of a comedy icon told by a daughter who both understood the genius

and knew the tortured man within Praise for Jokes My Father Never Taught Me Rain Pryor pulls no punches Using the same profanity laced wit her father perfected she unspools darkly comic stories but never devolves into self pity or bitterness Entertainment Weekly Vital entertaining and appalling Pryor has fleshed out a familiar dysfunctional family refrain It was a lot easier to love him if you didn't know him with bravery and wit Publishers Weekly
