**Choosing Gratitude** Nancy DeMoss Wolgemuth,2009-08-04 Gratitude is a choice If we fail to chose it by default we choose ingratitude And once allowed into the heart ingratitude does not come by itself but with a lot of other seedy companions that only succeed in stealing joy To not choose gratitude daily and deliberately is more costly than we usually realize And when we do choose a lifestyle of heartfelt humble gratitude we are mindful of the benefits received from our gracious Savior and those He has placed around us By intentionally thanking God and others bitterness and entitlement are replaced with joy and the humble realization of just how undeserving we really are Derived from a popular Revive Our Hearts radio series Choosing Gratitude Your Journey to Joy challenges and equips the reader to live a life of intention A life based on thankfulness for the freedom Christ has provided and for the blessings of others As a bonus a 30 day plan of journaling prayer and activities to help the reader on her path to joy is included

**Jesus Freaks** DC Talk,Voice of the Martyrs,2020-10-27 You may think of martyrs as those who gave their lives for the faith in the early church But today Christians around the world continue to stand boldly for Christ despite ongoing persecution These are their stories Pastor Han Stabbed to death by North Korean

agents for sharing the gospel with North Koreans in China Jean Pierre Werner and Rod Groenewald Killed in a Taliban attack on their home in Afghanistan Fatima Al Mutairi Killed by her brother after becoming a Christian in Saudi Arabia Habila Survived being shot in the face by Boko Haram militants after refusing to renounce Christ Persecution has always accompanied followers of Jesus who invited His followers to come and die Some were jeered at and their backs were cut open with whips Others were chained in prisons Some died by stoning some were sawed in half and others were killed with the sword Some went about wearing skins of sheep and goats destitute and oppressed and mistreated They were too good for this world wandering over deserts and mountains hiding in caves and holes in the ground Hebrews 11 36 38 Faithful Christians around the world are still suffering and dying for the name of Christ Their stories inspire and encourage each of us to follow Christ no matter the cost

Utopian Road to Hell William J. Murray, 2021-03-26 William Murray provides a unique perspective that should be read particularly by America's youth at a time central planners are once again promising utopian dreams at a cost to the most productive among us Governor Mike Huckabee Utopian dreamers are deceived and deceiving Their fight for the people rhetoric may sound good at first but history proves egalitarian governments and the cultures they try to create destroy freedom destroy creativity destroy human lives create poverty and misery and often spread beyond their borders to bring others under slavery Utopians believe that through their own personal brilliance a better society can be created on earth When the belief in man as a creation in the image of God is completely rejected the use of slavery and mass execution can be justified in the name of the creation of a utopian state for the masses Pol Pot Vladimir Lenin Adolf Hitler Joseph Stalin Mao Tse tung together these so called visionaries through their fanciful policies are responsible for the deaths of millions of people In Utopian Road to Hell William J. Murray son of atheist apologist Madelyn Murray O Hair describes the totalitarians throughout history and the current utopians who are determined to engage in social engineering to control the lives of every person on earth From Marx to Hitler Murray explains the progression of socialist engineering from its occultist roots to the extreme madness of the Nazis nationalistic racism From Margaret Sanger's Planned Parenthood and Saul Alinsky's Rules for Radicals the rebellious desire to be free from morality drives the at any cost campaigns such as abortion on demand no fault divorce same sex marriage and overreaching government provisions From Woodrow Wilson's living document distortion of the Constitution and his income tax to FDR's New Deal to Obama's executive orders those who seek centralized power typically do so by proclaiming some utopian scheme that they claim will perfect mankind and eliminate competition greed poverty and war William J. Murray masterfully educates us on the utopians' swath of destruction throughout history and warns us of the dangers of present day utopians fighting to hold power We must heed the warning of George Washington when he said in his 1796 Farewell Address that it is important for those entrusted with the administration of this great and free nation to confine themselves within their respective constitutional spheres avoiding in the exercise of the powers of one department to encroach upon another We must reclaim the freedom of the individual to

avoid the continued path down the utopian road to hell
