Richelieu and Mazarin Geoffrey Treasure, 2002-09-11 Richelieu and

Mazarin by Geoffrey Treasure compares these two striking but very different statesmen and evaluates their careers and achievements in the light of modern research It explores all aspects of the two men s careers including the historical background their personal characters aims and values and their experience of power Geoffrey Treasure also debates altered perceptions of absolutism and the accomplishments of both leaders

Cardinal Mazarin (Jovian Press) Arthur Hassall,2017-06-27 It seems inevitable that Mazarin will always suffer by comparison with Richelieu The latter who has been described as the greatest political genius which France has ever produced appeals to the imagination by the firmness and the success of his policy The ability with which he managed the foreign affairs of France and his creation of an administrative system which continued to the Revolution place Richelieu in the foremost rank of French statesmen And yet his successor though less illustrious equally deserves to stand among those who have contributed most to the greatness of France What MM Hanotaux and d Avenel have done for Richelieu s memory has been done for Mazarin by M Ch ruel He has made it impossible for us to regard Mazarin as a mere Italian adventurer or to agree with Michelet that he was an unprincipled actor libertine and gambler who subordinated every question of State policy to the meanest regard for his personal interests a miser whose glaring avarice was without a single redeeming quality It must be remembered that Richelieu advised the choice of Mazarin as his successor that during the last year of Richelieu s life Mazarin shared that statesman s secrets and that on the latter s death Mazarin was at once admitted to the Council of State In M Ch ruel s opinion and in that of all competent historians Richelieu s choice was fully justified Unlike Richelieu Mazarin had an Italian s love of intrigue and diplomacy and was always confident of his ability to bend his opponetns to his will The history of Mazarin from 1643 to 1661 is not only the history of France but also the history of Europe The difficulty therefore of writing an adequate biography of him is at once apparent M Ch ruel s two great works which deal with the period comprise no less than seven volumes which contain ample materials for forming an estimate of Mazarin s character and work In that historian s opinion Mazarin was an indefatigable and patriotic minister whose fame principally rests upon his success in making France illustrious by her victories and diplomatic triumphs and in leaving her on his death the leading power in Europe

Mazarin Geoffrey Treasure,2006-09-07 Mazarin was the model statesman of the early modern period in French history This book follows his career from pupil of the Jesuits through legate in Paris and Avignon to service for Louis XIII and beyond Mazarin s role in the survival of absolute monarchy during the upheavals of the Fronde and his guidance of the young Louis XIV are given full weight His crucial part in many diplomatic exchanges and in particular those which brought an end to the Thirty Years War and the Franco Spanish War is examined in detail His life is placed in the context of a study of the times highlighting the rapidly changing nature of government

France Under Mazarin James Breck Perkins,1886 **France under Mazarin** James Breck Perkins,1886

Mazarin (Classic Reprint) Arthur Hassall,2015-07-16 Excerpt from Mazarin As a foreign politician and diplomatist Mazarin has had few equals among French statesmen and he deserve full credit for his great diplomatic triumphs The Peace

of Westphalia the League of the Rhine the English Alliance the Peace of the Pyrenees and the Treaty of Oliva form a brilliant list of successes unequalled in the life of any French minister So fully engrossed was he in the complicated struggle with the Emperor and Spain that he neglected the internal affairs of France and underrated the strength of the Opposition headed by the parlement of Paris He paid dearly for that mis calculation though it is questionable if under the existing circumstances success abroad was at that time compatible or possible with administrative reforms at home and a policy of severity towards the nobles Be that as it may no sooner had the storm in Paris broken out than Mazarin addressed himself with vigour to the task of repressing internal disorder After a long and weary period from 1648 to 1653 he succeeded and the monarchy was once more supreme in France The last eight years of his life were then devoted to recovering for France that position in Europe which during the Fronde troubles she had temporarily lost In 1661 he died having completed Richelieu's internal policy and leaving that statesman's administrative system in full working order The destruction of the Hapsburg schemes had also been effected and on his death Mazarin left France in a stronger position than she had enjoyed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

France under Mazarin James Breck Perkins, 1887 **Jules Mazarin** Antoine Ferrard, 2025-02-02 Behind the grandeur of Louis XIV's France stood a man of cunning intellect diplomatic mastery and unwavering ambition Jules Mazarin Often overshadowed by his predecessor Cardinal Richelieu Mazarin was far more than just a successor he was the architect of a powerful and centralized France From his humble beginnings in Italy to becoming the chief minister of France Mazarin navigated the treacherous corridors of power with remarkable finesse Through secret negotiations military strategies and an unparalleled ability to outmaneuver rivals he not only upheld Richelieu's vision but expanded it shaping the monarchy into the absolute force that would define an era This book unveils the intrigue ambition and resilience of a man who ruled from the shadows weathering noble uprisings foreign wars and court conspiracies With meticulous research and vivid storytelling Jules Mazarin Richelieu's Shadow and Heir to Power offers an intimate look at the life and legacy of the cardinal who decided the fate of France A must read for history enthusiasts political strategists and anyone fascinated by the power plays of 17th century Europe **France Under Mazarin** James Breck Perkins, 1919 **France Under Mazarin** James B. Perkins, 2022-08-18 France under Mazarin with a Review of the Administration of Richelieu Volume I Second Edition is an unchanged high quality reprint of the original edition of 1886 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus
