Rick Brant Lost City:

Rick Brant's Science Projects John Blaine,2005-12-02 A non fiction companion volume to the popular Rick Brant Science Adventure Series This reprint of a very hard to find title includes easy to read chapters about codes and ciphers slingshots and archery microscopes and radios tricks and games and scientific experiments and how to plan a science project Please Note These experiments have not been written with the modern reader in mind Some may be dangerous and should not be undertaken The Rick Brant series was written pseudonymously under the name John Blaine from 1946 1968 Many millions of the books were sold Rick Brant was a high school boy who lived on an island off the coast of New Jersey His father was a world famous scientist Rick s best friend was Donald Scotty Scott and together they have adventures all over the globe usually involving a secret science project of some kind Originally published in 1960 **The Pirates of Shan (a Rick Brant Science Adventure)**

John Blaine,2010-04-01 Rick Brant and his pal Scotty are plunged into danger and excitement when they encounter the cutthroat pirates of Shan in the heart of the Pacific tropics During an expedition to locate two missing scientists Rick the son of a famous scientist and youngest member of the Spindrift Scientific Foundation finds that piracy exists in a new and modern form How he and his friends rescue the lost scientists and help to eradicate organized piracy in the Sulu Sea through the use of modern electronics makes one of the most thrilling adventures in the Rick Brant series

The Golden Skull Harold L. Goodwin,2023-10-04 The Golden Skull by Harold L Goodwin Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format The Caves of Fear: A Rick Brant Science-Adventure Story Harold Goodwin,2017-03-19 Back in the Spaceship Again Karen Sands-O'Connor,Marietta Frank,1999-08-30 Much literature for children appears in the form of series in which familiar characters appear in book after book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early series generally had plots that revolved around inventions developed by the protagonist But it was the development and use of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books comparatively little has been written about children s science fiction series published since 1945 This book provides a broad overview of this previously neglected topic The volume offers a critical look at the history themes characters settings and construction of post 1945 juvenile science fiction series including the A I Gang the Animorphs Commander Toad Danny Dunn Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals

attitudes toward humor the absence and presence of science and the characterization of women A special feature is an appendix listing the various series In addition the volume provides extensive bibliographical information *The Scarlet Lake Mystery* John Blaine,2010-05-01 Giant rockets that probe the borders of space provide authentic scientific background for this breath taking Rick Brant adventure When Rick son of a famous scientist and his pal Scotty go to work at a secret rocket base in Nevada only two men at the base know their real mission to track down the saboteur who calls himself The Earthman Thrills and perils during a rocket firing in an abandoned desert mining town at a radar tracking station and in the instrument chamber of a great rocket lead to the solution of The Scarlet Lake Mystery How Rick uncovers the terrifying threat to Project Pegasus and how this discovery culminates in an unexpected adventure that nearly costs Rick his life when he ventures into dangers no man has ever faced will keep the reader spellbound to the very last page of this gripping story **Science**

Fiction and Fantasy Literature, Vol 1 R.
