life and walk with the Lord Despite the things spoken by the agnostic and skeptic Jesus will return for his church We must never become like those who mock his return and miss out on the great rapture of the church As the Holy Spirit speaks to your heart make peace with God If you have never come to him there is still a little time If you are a child of God stay close and do not fall away and miss the uniqueness of the fellowship I am praying we all meet each other in the air and celebrate our dear Lord Jesus He is Lord over all things Blessings Bishop Eric A Lambert Jr

**Agent Michael Blount** Michael Blount, 2021-06-09 In the year 2025 in an alternate reality on Earth 2, life is not only different in this alternate world but history has also happened very differently and will continue to move forward in a different path. In Virginia Beach, Virginia, the city has just suffered a catastrophic terrorist attack launched by the Klu Klux Klan, a terror group founded by terrorist mastermind James Earl Ray Jr., a southern white man who holds a grudge against the now modernized liberal United States government that he hopes to overthrow and take down, and it's up to one fearless hero who isn't afraid to play dirty to defeat terrorism. That hero is 40-year-old FBI Agent Michael Blount, a former police officer who's a divorced single father of two teenage girls and the son of a Russian immigrant who went AWOL from the Russian Army to track down and take down this terrorist group once and for all with the help of his teammates. Not only will this be a mission to take this white supremacist terror group but this mission will also uncover so much corruption and treason within the United States Government; the main enemy of this state would turn out to be a traitor who paved the way for a new enemy to come out of hiding: Agent Michael Blount, who went from a high school jock growing up to now one of the most decorated FBI Agents in US History, would also encounter a surprising blast from his past which would shake him to the core, forcing him to dig deep and fight for the fate of the free world.

*Ricky's Hand* David Quantick, 2022-08-23 From the Emmy Award-winning writer of *Avenue 5*, *Veep*, and *The Thick of It* comes a funny, violent, and thought-provoking horror story like nothing you've seen before. Ricky Smart is a nobody, a Miami Beach paparazzo who scrapes a living snapping celebs. One day Ricky wakes up and realizes there's something wrong with his hand. It's not his hand. In fact, it's someone else's hand. How does he know it's not his? Because it looks different, feels different, and perhaps the biggest clue has a four-letter word tattooed across the knuckles. But hey, it's still a hand, and it works just fine, so that's OK. Except a week later, his other hand changes. And a few days after that, Ricky gets a new arm. Ricky is losing his mind as well as his body parts, but he has to pay rent, and those seedy photos aren't going to take themselves. The world needs candid shots of pop sensation and local girl Scala Jaq almost as much as Ricky's bank account does. Yet Scala has a secret of her own, a secret that leads them to an unlikely partnership, the strangest support group ever, and revelations that threaten existence as they know it. It's up to the celebrity and her tormentor to work out what to do with a world of misfits, explosions, and other people's bad tattoos. Because when you've looked for redemption in all the right places, you might need to try the wrong ones.
