## **Riddle Of Cantinflas:**

**The Riddle of Cantinflas** Ilan Stavans, 2012-12 Ilan Stavans's collection of essays on kitsch and high art in the Americas makes a return with thirteen new colorful conversations that deliver Stavans's trademark wit and provocative analysis. A Dream Act Deferred discusses an issue that is at once and always topical in the dialogue of Hispanic popular culture: immigration. This essay generated a vociferous response when first published in *The Chronicle of Higher Education* as the issue of immigration was contested in states like Arizona and is included here as a new addition that adds a rich layer to Stavans's vibrant discourse. Fitting in this reconfiguration of his analytical conversations on Hispanic popular culture is Stavans's *Arrival Notes from an Interloper* which recounts his origins as a social critic and provides the reader with interactive insight into the mind behind the matter. Once again delightfully humorous and perceptive, Stavans delivers an expanded collection that has the power to go even further beyond common assumptions and helps us understand Mexican popular culture and its counterparts in the United States.

*The Riddle of Cantinflas* Ilan Stavans, 1998 From one of our foremost cultural critics comes a provocative collection of essays on kitsch and high art in the Americas. Citing high profile individuals such as the murdered singer Selena, Frida Kahlo, Carlos Fuentes and others, Ilan Stavans examines how the masses turn their idols into icons. His search is not for the idol but for the idolater and the ways in which technology and the media refurbish reality. 13 photos

[Mexican American Religions](#) Gastón Espinosa, Mario T. García, 2008-07-08 A multidisciplinary collection of essays examining the influence of Mexican American religion on Mexican American literature, art, politics and popular culture.

**Intoxicated Identities** Tim Mitchell, 2013-07-04 In *Intoxicated Identities*, Tim Mitchell provides a novel and well-grounded framework for understanding subjective drinking experiences from the Aztecs to the present day in areas as diverse as Chiapas, Chihuahua, Oaxaca, Mexico City, Texas and California. Power drinking plays a crucial role in Mexican religion, politics, fine arts and ritual spousal abuse. Mexico ranks number one in deaths from cirrhosis and Mexican Americans are twice as likely to be arrested for drunken driving as blacks or whites. With methods and concepts derived from an extraordinary range of disciplines, Mitchell explains how Mexican culture reinforces heavy drinking. He analyzes supply, nationalistic marketing strategies but emphasizes demand, psychocultural motivations unique to Mexico. He chronicles the joys and sorrows of a *borrachera* or drinking binge and explores this altered state of consciousness on its own terms, not from any temperance or anti-alcohol perspective.

**Iconic Mexico** Eric Zolov, 2015-08-26 Going far beyond basic historical information, this two-volume work examines the deep roots of Mexican culture and their meaning to modern Mexico. In this book, readers will find rich in-depth treatments by renowned as well as up-and-coming scholars on the most iconic people, places, social movements and cultural manifestations including food, dress, film and music that have given shape and meaning to modern Mexico and its people. Presenting authoritative information written by scholars in a format that is easily accessible to general audiences, this book serves as a useful and thorough reference tool for all readers. This work combines

extensive historical treatment accompanied by illuminating and fresh analysis that will appeal to readers of all levels from those just exploring the concept of Mexico to those already familiar with Mexico and Latin America Each entry functions as a portal into Mexican history culture and politics while also showing how cultural phenomena have transformed over the years and continue to resonate into today Quixote: The Novel and the World Ilan Stavans, 2015-09-08 A groundbreaking cultural history of the most influential most frequently translated and most imitated novel in the world The year 2015 marks the four hundredth anniversary of the publication of the complete Don Quixote of La Mancha an ageless masterpiece that has proven unusually fertile and endlessly adaptable Flaubert was inspired to turn Emma Bovary into a knight in skirts Freud studied Quixote's psyche Mark Twain was fascinated by it as were Kafka Picasso Nabokov Borges and Orson Welles The novel has spawned ballets and operas poems and plays movies and video games and even shapes the identities of entire nations Spain uses it as a sort of constitution and travel guide and the Americas were conquered then sought their independence with the knight as a role model In Quixote Ilan Stavans one of today's preeminent cultural commentators explores these many manifestations Training his eye on the tumultuous struggle between logic and dreams he reveals the ways in which a work of literature is a living thing that influences and is influenced by the world around it *José Vasconcelos* Ilan Stavans, 2011 Mexican educator and thinker Jos Vasconcelos was a controversial scholar who fostered an alternative view of the future In this book his influential 1925 essay *Mestizaje* Key to understanding the role he played in the shaping of multiethnic America is analyzed *Mestizaje* suggested that the Brown Race from Latin America was called to dominate the world a thesis embraced by activists and scholars north and south of the Rio Grande The author considers how many in the United States especially Chicanos during the civil rights era used it as a platform for their political agenda The volume also includes Vasconcelos's 1926 Harris Foundation Lecture at the University of Chicago *The Race Problem in Latin America* where he cautioned the United States that rejecting mestizaje in our own midst will ultimately bankrupt the nation

African Mexicans and the Discourse on Modern Nation Cuevas, Marco Polo Hernández, 2004-05-19 In *African Mexicans and the Discourse on Modern Nation* author Marco Polo Hernández Cuevas explores how the Africaness of Mexican mestizaje was erased from the national memory and identity and how national African ethnic contributions were plagiarized by the criollo elite in modern Mexico The book cites the concept of a Caucasian standard of beauty prevalent in narrative film and popular culture in the period between 1920 and 1968 which the author dubs as the cultural phase of the Mexican Revolution The author also delves into how criollo elite disenfranchised non white Mexicans as a whole by institutionalizing a Eurocentric myth whereby Mexicans learned to negate part of their ethnic makeup During this time period wherever African Mexicans visibly black or not are mentioned they appear as mestizo many of them oblivious of their African heritage and others part of a willing movement toward becoming white This analysis adopts as a critical foundation Richard Jackson's ideas about black phobia and the white aesthetic as well as James Snead's coding of blacks Like a Bride and Like a

Mother Rosa Nissán, 2013-02-15 These two autobiographical novels lay bare the life journey of a Mexican Jewish woman reconciling herself with a Sephardic background her parent s dictates and her husband s and family s expectations The only constant in her life is a need to find her own way and the story of how she does so is intensely personal and yet universal in its humanness This quest begins in Oshinica s childhood at about age ten she s taken from the public school in Mexico City and placed in a Jewish one There she begins to understand what it means to be Jewish Though somewhat indifferent to Hebrew lessons she warms to the teacher who shares experiences of the Holocaust and learns that being Jewish means being different Oshinica s family thwarts her desire to enter the university and instead she s pushed into marriage at age seventeen Children follow quickly four in all and into the 1960s Oshinica tries to be a dutiful wife and mother while continuing to be an obedient daughter But the insular Jewish neighborhood that sheltered and defined her life is impinged upon as modernity transforms Mexico City Seeing films like the Fellini movie 8 1 2 and experiencing a culturally changing capital city sets her on a quest for her own voice and space Eventually she separates and divorces supports herself as a commercial photographer and enrolls in a creative writing course taught by Elena Poniatowska one of Mexico s most prominent women authors The short pieces begun in that course evolved into these two novels The remarkable story they tell is how Oshinica s many and often painful journeys of discovery led to a personal peace I ve never met a person so natural and spontaneous Rosa Nissán adapts herself to life the way a plant adapts itself to the soil or the sun Elena Poniatowska *Mutual Impressions* Ilan Stavans, 1999 It is commonly assumed that the United States and Latin America culturally so different move artistically to very different rhythms Also common is the assumption that with rare exception the literary figures on one side of the global North South divide have had little interest in the work of their counterparts With *Mutual Impressions* Ilan Stavans dispels these notions by showing how solid the bridges between writers and across borders have been at least since the early days of this century and how crucial they are likely to become as we enter the next millennium Divided into symmetrical halves South reading North and North reading South the book presents essays by leading novelists poets and other writers that focus on the work of another literary figure from across the divide Borges for example finds in Hawthorne the perfect precursor to his own interest in allegories Katherine Anne Porter examines Jos Joaquín Fernández de Lizardi as a rascal whose picaresque views of life in *The Itching Parrot* served to launch the Latin American novel Cortázar s study of the plots and style of Poe shows an affinity that left an indelible mark on the Argentine s short fiction Susan Sontag views Machado de Assis as the ultimate mirror a proto postmodernist With other essays by Thomas Pynchon William H Gass John Updike Gabriel García Márquez Alejo Carpentier John Barth Robert Coover Pedro Henríquez Ureña Grace Paley Juan Carlos Onetti and Mark Strand among others *Mutual Impressions* offers a remarkable view of the connections that comprise a literary tradition of the Americas It is a book that will surprise and enliven its readers as it informs and awakens in them a sense of wonder Contributors John Barth Jos Bianco Robert Bly Jorge Luis Borges Alejo Carpentier Hiber Conteris Robert Coover Julio

To start, the book covers various perspectives and issues of these regions, including the influence of the United States, how the idea of machismo reflects on the portrayal of women in these societies, and the representation of Latino/Caribbean cultures in film and other mediums.
