*It's All Left up to Time* Marilyn Myers, 2012-12-07 I believe you can learn a lot from poetry Many times it is a mood feeling or emotion the author experiences Sometimes it helps to know you aren't the only person who feels a certain way My selections are an explanation of the highs and lows of relationships Sometimes it makes me wonder if things will ever get on the right track but I try to take an optimistic view and think that everything happens for a reason That reason is usually for the better I can imagine but I can't predetermine how life will turn out no human can know exactly what will happen We estimate but we can't know for certain We waste our time worrying over things that we can't change because we don't have control over those things The things we have control over we don't usually try to change Many times we have a hard time accepting what has happened in our lives I know I do and I have to tell myself Don't argue with a stop sign You can't beat it Some things just are what they are If I make a mistake I feel
