Ride And Tie:

40 Years of Madness Annette Parsons,2010-03 Forty years ago Bud Johns then a public relations director for Levi Straus Company sought a rough and tumble event to promote the company s line of rugged outdoor clothing Little did he know that his idea of turning an historic means of transportation into a race would beget a sport that changed the lives of the thousands of people who competed Bud s idea for a Ride and Tie race began after he had read several accounts from the 1800s and early 1900s in this country and in Europe where two men had only one horse between them and needed to cover some distance They opted to trade off riding and walking in order to optimize their ability to go the distance as well as the horse s One would ride ahead on the horse an agreed upon distance and then tie the horse to a tree or post and continue on foot The other man would reach the now rested horse mount up and continue on to reach and pass the other man and repeat the process In this manner the two people and one horse eventually reached their destination quicker and in better shape than if they had both ridden the horse or one or both walked the entire distance The first Levi s Ride and Tie race in 1971 became an annual event that spawned hundreds of Ride and Tie competitions all over the United States and in other countries Considered one of the most challenging and grueling of extreme sports it continues today as the Annual World Championship Ride and Tie For the first time race results posters photos and anecdotes from all 40 years of the sport s history are compiled here Ride and Tie is a race like no other where people of all ages and backgrounds are pitted against themselves and each other as they tackle challenges they never thought they could endure The passion invoked by the sport is reflected in the stories and photos throughout this book *Trail Riding* Audrey Pavia,2007-08-20 Experience the sheer joy of being one with your horse and one with nature When you re riding the trails with your horse you enjoy a refreshing feeling of freedom the exhilaration of exploration and an invigorating escape from the demands of the day You re in control as long as you can control the 1 000 pound creature you re riding *Trail Riding A Complete Guide* takes you from the basics to more advanced trail riding skills with information on How to choose a horse including basics on conformation Finding the best trail riding lessons tack and equipment Feeding care grooming health care and stable management Conditioning for the horse and yourself Trailering to trails Advanced trail riding including information on camping with your horse how competitive trail riding is judged and racing on the trail Tips on how to find the best trails both locally and around the country This book helps you develop the knowledge and skills that will give you a leg up every time you climb in the saddle You and your horse will become the perfect pair for relaxing yet energizing adventures off the beaten path [Publications](#) English Dialect Society,1876 **The Century Dictionary and Cyclopedia: The Century dictionary** William Dwight Whitney,Benjamin Eli Smith,1897 **The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney** William Dwight Whitney,Benjamin Eli Smith,1903 [Never Ride a Rollercoaster Upside Down](#) Jeff Smulyan,2022-12-06 A nicely balanced personal and practical book of corporate reflections
