I'll Ride For My Thug Ari,2015-06-07 On the outside Asha seems to have it all She is a beautiful intelligent and successful business woman who has paved her own way at a young age without her father's money However on a daily basis she struggles with the murder of her mother that she witnessed at the tender age of 9 years old All the while her love life is causing her more grief than happiness Joc is the prot g of Big E the biggest drug dealer ever known to Chicago and the head of Terror Squad His loyalty quickly moves him up the ranks as time progresses and he is now next in line to the throne that he helped Big E build He's tired of the chicks filled with hood drama and is looking for someone real just for him As their paths cross and sparks fly they are both having doubts about seeing where things can lead Although they have known each other since they were teenagers Asha is also the daughter of his mentor who won't be too thrilled when he hears of their relationship Joc is drawn to Asha like a moth to a flame even though she could possibly be the death of him Not to mention both of their crazy exes refuse to let go of the love they once shared Their lives are turned upside down in complete chaos as they fight for each other and to stay alive Will their love be strong enough or will they crumble like the walls around them

I'll Ride For My Thug 2 Ari,2015-10-07 Asha is finally happy and settling into her new life She has a one year old son Ayden who is the love of her life Asha's career has flourished even more now due to owning two realty locations and hiring new employees who are just as hungry and ambitious as her Not only does that open up doors to many financial possibilities but also allows her to be able to spend more time with her son and husband Joc Slowly but surely strange things began to happen and Asha can't shake the feeling that her past has resurfaced once again Her dreams of a happily ever after are shattered as chaos sweeps through her life leaving her family scrambling to put the pieces together Asha must make a decision and steps knee deep into the game she always managed to stay away from Joc is now the head of the infamous Terror Squad who is continuously growing Joc is at the top of his game but continues to abide by the rules his mentor Big E has taught him Family first is his motto and no one will come before his

family not even the streets After his connect is murdered he must set out to find one who will be able to handle his needs He turns to big E for advice to ensure that he isn't making a deal with the devil that can potentially bring down the empire they both have so carefully built While balancing the streets and his family life Joc has begun to feel doubt creep into his heart He can feel tension building between him and his wife but is unsure why An all out war explodes and Joc will do anything to protect his family and his empire When his wife makes a power move without his knowledge Joc realizes that the game has changed and the stakes have been raised Jamarcus Simms is filled with hatred for the loss of the only family he had left His sister Lisa was murdered and he knows exactly who is responsible After reaching out to an old friend who assists him with devising and executing a plan Jamarcus can now get the revenge that he so desperately craves As complete chaos erupts once again will Asha and Joc be able to remain at the top of the game or will Terror Squads reign finally come to an end

I'll Ride For My Thug 3 Ari,2015-12-15 Asha has no other choice but to step out of her husband's shadow and into the position she tried so hard to stay out of As her husband and most of Terror Squad continue to search for Lashae the ultimate threat has arrived With the help of her new found brother Smoke Jade and her other brother Amari Asha just may be able to hold her family together Asha believes that she can no longer depend on Joc to make sound decisions nor can she run to the one man who has always been in her corner her father Despite her fears she continues to be her husband's back bone and prays that her desperate attempts to bring Joc back to the present will be enough for him to return to his rightful throne Joc is consumed with guilt and rage over the disappearance of his little sister Lashae He will stop at nothing to find her and bring her home where she belongs He becomes even more enraged when he learns about the attack on his mentor and blames himself for not seeing it coming He continues to doubt himself and the life he chose for his wife child and family Joc feels like an outsider looking in while his wife steps into the role of a queen pin but is soon snapped back into reality once he realizes who has decided to help Terror Squad take down Maino once and for all He must pull himself together and devise a plan with the help of Gunna in order to save his city and all of their lives Jamarcus has managed to escape death and evade Terror Squad to hide away with his one true love Lashae His desire for revenge no longer take precedence over his desire to spend the rest of his life with her Lashae has managed to convince him that she will do just that in an attempt to survive until she is found Unbeknownst to them both Jade is hot on his trail and plans to not only rescue Lashae but to make Jamarcus pay for all he has done No one is safe on the streets of Chicago Once again Terror Squad's unity is put to the test as Maino and his son wreak havoc throughout the city Will they prevail during this all out war or will they die in the very streets that they once loved so much
