Robyns Verse:

Robyn's 'Hood Tom Nelson,2009-06 Life has not been kind to Robyn Johnson About to turn sixteen Robyn lives in a group home for girls in the city of Nottingham which is rapidly becoming an urban nightmare When Robyn is witness to yet another crime something snaps in her and she takes matters into her own hands to out standing results The surprising part is Robyn likes not only the deed but also its profitable outcome Is that so wrong The stakes heighten when Robyn catches wind of a larger plot to destroy the city she loves as her classmate Marcus an unaware apprentice reporter tails her as both suitor and newsman Based on the classic tale Robin Hood this novel tells the story of Robyn and her band of Merry Men a trio of teenage misfits who assist as she robs from the bad and gives to the good in an effort to save the hood I thought I didn t like to read but this book was hard to put down I couldn t believe how much Robyn s life was like my own Teisha Williams high school student Many of my students read Robyn s Hood and loved it so did I As both a reader and an educator I highly recommend it Leslie Lipton teacher Originally from Jackson Mississippi Tom Nelson is a successful screenwriter with produced credits in series television movies of the week and feature films For the last eight years Tom has also taught high school to at risk teenagers in Los Angeles California He is particularly interested in reluctant readers those who would rather jump off a bridge than pick up a book Robyn s Hood is for them *Lady Robyn* R. Garcia y Robertson,2024-08-06 The author of two highly praised novels *The Spiral Dance* and *American Woman* R Garcia y Robertson returns with a charming time travel romance sequence In *Knight Errant* Robyn Stafford a young American woman hiking in England near the Welsh border was swept back in time to the 1460s the age of the War of the Roses There she fell in love with a young knight Edward son of the Duke of York Cast back in time by witchcraft Robyn a young executive from Hollywood raised in Montana has chosen to stay there out of love for Edward who has promised to marry her Now in *Lady Robyn* Robyn s fantasy of courtly romance comes up against the brute reality of medieval politics the politics of murder warfare and betrayal The War of the Roses is no longer a textbook subject it s messing up her life and so is the noble witch who though he doesn t know it is Edward s enemy Edward s father Richard is making a bid for the throne and if he wins it Edward will be heir apparent And if Robyn marries him she will someday be queen and her children heirs to the throne as well In the 1460s that means living with the constant threat of death The survival rate for heirs is not high Will Robyn reject her love or risk the lives of her children to be This is an engrossing time travel romance in the mold of Diana Gabaldon s bestselling timeslip tales At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Gender and Position-Taking in Henrician Verse Rebecca Quoss-Moore,2025-10-01 Tradition translation and transcription in Henrician verse functioned together in systems of communally created coded position taking Understanding this system as an extensive network of production and reception in which women took on many roles allows for new readings of Henrician verse that emphasize the interpretive range available to contemporary reading and writing communities This restoration demasculinizes our approach to Henrician

verse not only through a more equitable consideration of gender's functions in that social world but also in de-emphasizing individualized self-fashioning or authorial intent in favor of an engagement with communal production and shared sociopolitical engagement. The creation in this system is not of a code but of systems for coding and recognizing position taking. These communal systems offer a site for the intersection of reader and writer of transcriber and composer and of King and courtier in a space that questions creates and troubles power in the Henrician court.

Tennyson Among the Novelists John Morton, 2010-06-24 Until now the study of literary allusion has focused on allusions made by poets to other poets. In *Tennyson Among the Novelists* John Morton presents the first book-length account of the presence of a poet's work in works of prose fiction. As well as shedding new light on the poems of Tennyson and their reception history Morton covers a wide variety of novelists including Thomas Hardy James Joyce Evelyn Waugh and Andrew O'Hagan offering a fresh look at their approach to writing.
