Soon thereafter his photography career took off going higher and higher with each new musician he shot for. His work is embodied in this text full of luscious color saturated photography of some of the most dynamic and enthralling musical acts and stars in rock history and likewise filled with amazing and amusing behind the scenes stories of musicians from Mick Jagger to Miley Cyrus and beyond. There will never be another one to replace him. Born into an eccentric and difficult marriage, Hutchence grew up in different countries before settling into suburban Sydney. He made friends with Andrew Farriss who provided a surrogate family. Andrew's musicality and Michael's charisma was from the start till the end the basis of INXS. For five years INXS were single minded in their pursuit of being the biggest band in the world. When that was achieved Michael felt the need to move away from a strictly pop life and he pushed himself into more challenging areas. This brought him into conflict with the band. There was also the complication of being a sex god. Michael led a very hedonistic life and while promiscuous Michael had a very real fear of separation and a great fear of causing hurt. **Shine Like It Does** is the story of Michael Hutchence, the artist, the person who took his work seriously and wanted to make great music. One Place de l'Eglise Trevor Dolby, 2022-07-21 Escape to Languedoc in this poignant and transportative true account of life in a beautifully restored house in the south of France. Wonderful, exquisitely written, laugh out loud funny, profoundly moving. An utter joy and a treat to read from first to last. JAMES HOLLAND Dolby writes with genuine emotion. He writes beautifully about life in a French village. DAILY MAIL. An Englishman's home is his castle. But what if it's French? One Place de l'Eglise is a thousand year old Languedoc ruin. Leaky, crumbling, lacking basic amenities, it is ignored by the local villagers. But for Londoners Trevor and Kaz it is love at first sight. Over the years they turn the house into a home, navigating floods and freezing winters. Here these two English find their place, their bar, their baker, their builder, ignore him at your peril. And gradually they learn slower joys, scents of thyme and lavender, warm sun on stone, nights hung with stars, silence in the hills, the secrets of fig jam. One Place de l'Eglise is a love letter to a house, a village, a country from an outsider who discovers you can never be a stranger when you're made to feel so at home.
