Rock Hudson His Own Story:

Rock Hudson, His Own Story Rock Hudson, 1986-07-01 Melodrama and Meaning Barbara Klinger, 1994-08-22

Melodrama and Meaning is a major addition to the new historical approach to film studies Barbara Klinger shows how institutions most associated with Hollywood cinema academia the film industry review journalism star publicity and the mass media create meaning and ideological identity for films Chapters focus on Sirk's place in the development of film studies from the 1950s through the 1980s as well as the history of the critical reception both academic and popular of Sirk's films a history that outlines journalism's role in public tastemaking Other chapters are devoted to Universal's selling of *Written on the Wind* the machinery of star publicity and the changing image of Rock Hudson and the contemporary institutionalized camp response to Sirk that has resulted from developments in mass culture Rock Hudson John Mercer, 2019-07-25 Tall dark and handsome with a manufactured name and a scrupulously designed professional image Rock Hudson represented the Hollywood ideal of American masculinity during the 1950s and 60s an ideal that was to be questioned and ultimately undermined during the years to follow by lurid accounts of his private life and his death from AIDS related illness This illuminating analysis of Hudson's career reassesses the perceived disparity between his public persona and his true nature Exploring his unique qualities as a performer and exposing the role of his agent producers and directors in the construction of his image John Mercer unpicks Hudson's stardom to reveal a more complex star identity than has hitherto been understood Foregrounding the ways in which Hudson's career provides insights into the nature of American popular culture and attitudes towards gender and sexuality Mercer ultimately depicts Hudson as a star who embodied a period of transition between the old Hollywood and the new *Doris Day* David Bret, 2009-03-25 With her bobbed blonde hair and flashing smile Doris Day was portrayed as the girl next door a virginal girl that you could take home to your parents In real life she was not quite the happy go lucky blonde with the bubbly personality promoted by Warner Brothers who simply wanted to market her as a commodity Married young to a violent bully and with a child Day had to work hard touring with bands to get her start in showbusiness A reluctant star all Doris Day wanted to do was settle down to a happy simple life but somehow managed to always attract the wrong kind of men thugs and crooks who took their anger out on her And yet this didn't stop her from enjoying sexual exploits with a number of leading men She worked hard not to become a success but for a job and yet her manager managed to defraud her of millions How could this happen to such a smart lady perhaps she was too trusting In this revealing biography David Bret takes a fascinating look at the trials and tribulations behind what seemed to her adoring fans to be the perfect woman From her German Jewish parents to her donation to an airlift of cats and dogs in Louisiana as well as full discography and film lists this is a captivating look at a resilient American icon David Bret was born in Paris and is a leading celebrity biographer His many acclaimed books include biographies of Marlene Dietrich Gracie Fields Freddie Mercury Tallulah Bankhead Maria Callas Rudolph Valentino Edith Piaf and Joan Crawford He lives in Yorkshire **Between**

Rock and a Hard Place Robert Parker Mills, 2010-11 This book is about the first fear of AIDS case tried in America It tells the untold story of the trial that the general public heard nothing about By telling the true story from the perspective of the lawyer who actually represented the Estate of Rock Hudson it is hoped the reader acting as the 13th juror will see the gross injustice done to the late actor by Christian and Rock's alleged friend Mark Miller as well as the court the jury and the press all of which were blinded from the truth by this newly discovered disease called AIDS Marc Christian claimed he was given a death sentence because Rock didn't tell him of his AIDS diagnosis and continued to have high risk sex with him 25 years later Christian died not from HIV or AIDS He was never HIV positive How could this be if he was telling the truth that he continued having anal sex with Hudson 3 to 5 times a week for 8 months after Rock was first told he had full blown AIDS Christian was either superhuman and they should clone his blood as a cure for AIDS or he simply didn't tell the truth at trial where Rock Hudson could not defend himself because Christian waited until Rock died and found out he wasn't in his Will before bringing his lawsuit

Doris Day Confidential Tamar Jeffers McDonald, 2013-09-27 Doris Day was a major star during the 1950s and 60s Even now many years after her final film and years since her last regular television appearances the star's name retains currency she is often invoked as shorthand for a kind of sexuality now felt outmoded with virginity firmly maintained until marriage Although this assumption is widespread close attention to the facts of Day's own life challenges it and the majority of her film roles also prove otherwise with Day most frequently portraying a woman of maturely sexual desires Redressing a surprisingly meagre body of work on Doris Day this book investigates why the rigid view of Day's maintained virginity should have arisen and become so fixed to the star even now Taking a twofold approach Tamar Jeffers McDonald both closely examines Day's film roles and performances and explores material from other popular media for the source of the virgin myth Day featured continuously in public discourse and media stories were often devoted to her personal life it was widely known that she had been married three times and had a son Why then did the pejorative

label the forty year old virgin arise and why has it stuck so tenaciously to Day until today Investigating a range of sources in order to discover why this maturely sexual star has become indelibly associated with maintained virginity Doris Day Confidential analyses in detail Day s characters and performances across her career By focusing on contemporary popular culture contexts using newspaper stories articles from film fan and lifestyle magazines reviews and gossip it charts the developments in Day s screen persona highlighting the changing public perception of the star of Calamity Jane Love Me Or Leave Me and Pillow Talk as aided and abetted by the media **Reagan** Robert P. Writing History with Lighting Matthew Christopher Hulbert, John C. Inscoe, 2019-02-05 Films possess virtually unlimited power for crafting broad interpretations of American history Nineteenth century America has proven especially conducive to Hollywood imaginations producing indelible images like the plight of Davy Crockett and the defenders of the Alamo Pickett's doomed charge at

Gettysburg the proliferation and destruction of plantation slavery in the American South Custer's fateful decision to divide his forces at Little Big Horn and the onset of immigration and industrialization that saw Old World lifestyles and customs dissolve amid rapidly changing environments Balancing historical nuance with passion for cinematic narratives Writing History with Lightning confronts how movies about nineteenth century America influence the ways in which mass audiences remember understand and envision the nation's past In these twenty six essays divided by the editors into sections on topics like frontiers slavery the Civil War the Lost Cause and the West notable historians engage with films and the historical events they ostensibly depict Instead of just separating fact from fiction the essays contemplate the extent to which movies generate and promulgate collective memories of American history Along with new takes on familiar classics like Young Mr Lincoln and They Died with Their Boots On the volume covers several films released in recent years including The Revenant 12 Years a Slave The Birth of a Nation Free State of Jones and The Hateful Eight The authors address Hollywood epics like The Alamo and Amistad arguing that these movies flatten the historical record to promote nationalist visions The contributors also examine overlooked films like Hester Street and Daughters of the Dust considering their portraits of marginalized communities as transformative perspectives on American culture By surveying films about nineteenth century America Writing History with Lightning analyzes how movies create popular understandings of American history and why those interpretations change over time
