Rock N Roll Gold Rush Maury Dean, 2003 An appreciation of Rock n Roll song by song from its roots and its inspirations to its divergent recent trends A work of rough genius Dean OCOs attempt to make connections though time and across genres is laudable Rock 'n' Roll Gold Rush Maury Dean, 2003 This Rock n Roll survey covers 38 of your own top 40 hits focusing on every single that broke new ground or topped the charts It bounces with the excitement of rock music and the vibrant personalities who create it Dean The Rock Revolution 1967 eschewing traditional boundaries of rock music and focusing on singles rather than albums recasts popular music of the last century as rock precursor to rock or influential on rock He attempts a thematic rather than chronological approach although the 42 chapters present a historical flow of sorts Appropriate wherever music fans like to argue but best purchased for the circulating collection CHOICE All I Want Is Loving You Steve Bergsman, 2023-10-30 In All I Want Is Loving You Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s These popular performers many of whom graduated out of the big bands of the 1940s impacted popular music in a huge way As the last bastion of traditional pop and the last sirens of swing they undeniably shined in the spotlight Yet these singers fame dimmed relatively quickly with the advent of rock n roll A fortunate few like Doris Day Patti Page Peggy Lee and Debbie Reynolds experienced some of their biggest hits in the late 1950s and Eydie Gorm broke out in the 1960s The luckiest including Dinah Shore and Rosemary Clooney ventured to television with varying degrees of success Others would become major attractions at nightclubs in Las Vegas or like Teresa Brewer shift into the jazz world Though the moment did not last these performers were best selling singers darlings of the disk jockeys and the frenetic heartbeat of fan clubs during their heyday In a companion volume Bergsman has written the history of African American women singers of the same era These Black musicians transitioned more easily as a new form of music rock n roll skyrocketed in popularity In both books Bergsman reintroduces readers to these talented singers offering a thorough look at their work and turning up the volume on their legacy **Encyclopedia of Great Popular Song Recordings** Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day from Scott Joplin to Kanye West from Stephen Foster to Coldplay The Encyclopedia of Great Popular Song Recordings Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth Approximately 1 000 key song recordings from 1889 to the present are explored in full unveiling the stories behind the songs the recordings the performers and the songwriters Beginning the journey in the era of Victorian parlor balladry brass bands and ragtime with the advent of the record industry readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s The odyssey continues through the Swing Era of the 1930s rhythm the rock modern soul the British invasion and the folk rock movement of the 1960s and finally into the modern era through the musical streams of disco punk grunge hip hop and contemporary

dance pop Sullivan however also takes critical detours by extending the coverage to genres neglected in pop music histories from ethnic and world music the gospel recording of both black and white artists and lesser known traditional folk tunes that reach back hundreds of years This book is ideal for anyone who truly loves popular music in all of its glorious variety and anyone wishing to learn more about the roots of virtually all the music we hear today Popular music fans as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting **"True Blue"** , [Focus On: 100 Most Popular Billboard Adult Contemporary Number-one Singles](#) Wikipedia contributors, [Focus On: 100 Most Popular American Rock Songwriters](#) Wikipedia contributors, *Focus On: 100 Most Popular American Dance Musicians* Wikipedia contributors, **Focus On: 100 Most Popular Actresses from New York City** Wikipedia contributors, **Focus On: 100 Most Popular English Songwriters** Wikipedia contributors,
