

**EXAMPLE 3: POWER CHORD TEST PLAY-ALONG**

Track 8

It is very important that you memorize each chord you learn. As an exercise, cover up the tablature and use the chord symbols while playing along with the recording. Only refer to the tablature if something doesn't sound right. When you perform with others, you are not likely to have tablature provided. Chord names may be called out to you, or you will be given a chord chart. The lines next to the first note tell you to slide your finger up to, and away from the 12th fret.
