Rock She Wrote:

Rock She Wrote Evelyn McDonnell, Ann Powers, 1995 Women writing about rock and pop music
Evelyn McDonnell, Ann Powers, 1999 Brings together music criticism fan experience and performers first person accounts from more than 60 women writers for 1960s to the 1990s
Songbooks Eric Weisbard, 2021-04-23 In Songbooks critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings' 1770 New England Psalm Singer to Jay Z's 2010 memoir Decoded Drawing on his background editing the Village Voice music section coediting the Journal of Popular Music Studies and organizing the Pop Conference Weisbard connects American music writing from memoirs biographies and song compilations to blues novels magazine essays and academic studies The authors of these works are as diverse as the music itself women people of color queer writers self educated scholars poets musicians and elites discarding their social norms Whether analyzing books on Louis Armstrong the Beatles and Madonna the novels of Theodore Dreiser Gayl Jones and Jennifer Egan or varying takes on blackface minstrelsy Weisbard charts an alternative history of American music as told through its writing As Weisbard demonstrates the most enduring work pursues questions that linger across time period and genre cultural studies in the form of notes on the fly on sounds that never cease to change meaning
New Millennial Sexstyles Carol Siegel, 2000 New Millennial Sexstyles questions the twin feminist orthodoxies that the 1960s sexual revolution failed women and that the sexual attitudes most prominent in current youth cultures are deplorably regressive Comparing the American sexscape she inhabits to the vision of contemporary culture produced by feminist theorists Carol Siegel considers whether the sexual revolution may have succeeded but in ways not recognized by current academic studies of gender and sexuality In discouraging undomesticated heterosexuality academic feminism ignores the connection between mainstream opposition to all unrestrained sexual expression and the growth of new forms of homophobia in our times At the same time the youth subcultures challenges to these views of sexuality and gender have been dismissed as insignificant or misunderstood as sexist In this book they receive more respectful attention Siegel draws on her own experience as a college student to create a personal history of academic feminism's early sympathy with bourgeois values She looks at the development of American sex advice literature and at the reception of such transgressive popular films as Basic Instinct Thelma and Louise and Natural Born Killers to demonstrate that the most profoundly capitalist feminist theories have always been the most culturally authoritative A more encouraging vision emerges in the book's second half where a record of conversations about sex and gender with young people and of their responses to products designed for their consumption takes the reader through some of today's most radical youth cultures and suggests new directions for gender studies
To the Lighthouse / На маяк Woolf V., 2017-07-16 Following the tradition of modernist novelists the plot of To the Lighthouse 1927 is secondary to its philosophical introspection the novel includes little dialogue and almost no action most of it is written as thoughts and observations Among the book's many themes are those of loss subjectivity the

nature of art and the problem of perception Now You See Her Anne Crémieux, 2023-03-13 Over the past thirty years queer women have been coming out of the media closet to enter the mainstream consciousness This book explores the rise of lesbian visibility since the 1990s with in depth historical analyses of representation in sports music photography comics television and cinema Each chapter is complemented by an interview soccer player and coach Saskia Webber singer songwriter Gretchen Phillips photographer Lola Flash cartoonist Alison Bechdel and filmmakers Jamie Babbit and Anna Margarita Albelo discuss the societal transformations that shaped their careers From the riot grrrl movement of the early 1990s punk scene to screen representations of queer culture The L Word Orange Is the New Black this book discusses how lesbian presence successfully infiltrated several patriarchal strongholds and was transformed in return **Towards the Beacon** Avneet Kumar Singla, 2021-05-21 The plot of Towards the Beacon is secondary to its philosophical introspection the novel includes little dialogue and almost no direct action most of it is written as thoughts and observations The novel recalls childhood emotions and highlights adult relationships Among the book s many tropes and themes are those of loss subjectivity the nature of art and the problem of perception This book is in 3 parts The brief description of the book is written as follows Part 1 The novel is set in the Ahuja summer house in the Hebrides on the Isle of Skye The section begins with Mrs Ahuja reassuring her son James that you should be able to visit the Beacon the next day This prediction is disputed by Mr Ahuja who expresses his certainty that the weather will not be clear an opinion that forces a certain tension between Mr and Mrs Ahuja and also between Mr Ahuja and James This particular incident is referred to several times throughout the section especially in connection with the relationship between Mr and Mrs Ahuja The Ahujas and their eight children were accompanied by a number of friends and colleagues in the house One of them Lily Briscoe begins the novel as a young uncertain painter attempting a portrait of Mrs Ahuja and James Throughout the novel Briscoe is plagued by doubts doubts that are largely fed by the claims of Charles Tansley another guest who claims that women can neither paint nor write Tansley himself is an admirer of Mr Ahuja a philosophy Professor and his academic treatises When Augustus Carmichael a guest poet asks for a second portion of soup Lord Ahuja almost catches him Mrs Ahuja is out of line when Paul Rayley and Minta Doyle two acquaintances whom she has engaged arrive late for dinner when Minta has lost her grandmother s brooch on the beach Part 2 The second section Time flies gives a sense of time gone by absence and death Ten years pass in which the First world war begins and ends Mrs Ahuja dies as well as two of her children Prue dies of complications in childbirth and Andrew is killed in the war Mr Ahuja has gone without his wife to praise and comfort him during his bouts of fear and anxiety regarding the longevity of his philosophical work Part 3 In the final section The Beacon some of the remaining Ahujas and other guests return to their summer home ten years after the events of Part I Finally Mr Ahuja plans to make the long delayed trip to the Beacon with his daughter Camilla and son James the remaining Ahuja children are practically not mentioned in the last section The journey almost does not happen as the children are not ready but they eventually make

their way As they travel the children remain silent in protest against their father for forcing them to come with them James the sail boat keeps stable and rather than receiving the harsh words he expected from his father he hears praise and offers a rare Moment of empathy between father and son Cam s attitude towards her father changes from resentment to any admiration The son cuts a piece of meat from a fish he has caught to use as bait and throws the injured fish back into the sea As they set sail for the Beacon Lily tries to finally complete the painting she has held in her mind since the beginning of the novel She revisits her memory of Ms and Mr Ahuja balancing the multitude of impressions from ten years ago to achieve an objective truth about Ms Ahuja and life itself When she finishes the painting just as the sailing party reaches the Beacon and sees that it satisfies her she realizes that the execution of her vision is more important to her than the idea of leaving a legacy in her work The Salon and English Letters Chauncey Brewster Tinker,1915 *A Love Built to Last* L.S.
