Rocking The Ship Of State Toward A Feminist Peace Politics:

Rocking the Ship of State ADRIENNE. KING HARRIS (YNESTRA. COHN, CAROL.), Ynestra King, Carol Cohn, 2021-02-19 This book considers the experience of women as children and as mothers and feminist critiques of gender as important sources of insight into the conduct dynamics and motivation of a feminist peace politics examining the history the scope and the current condition of women's peace movements **Rocking the Ship of State** Adrienne Harris, 1989 **The Politics of Motherhood** Alexis Jetter, Annelise Orleck, Diana Taylor, 1997 Essays and interviews explode the myth of apolitical motherhood by showing how 20th century women have politicized their role as mothers in a wide range of social contexts

Handbook on Gender and War Simona Sharoni, Julia Welland, Linda Steiner, Jennifer Pedersen, 2016-07-27 This interdisciplinary Handbook offers a comprehensive and detailed overview of the relationship between gender and war exploring the conduct of war its impact aftermath and opposition to it Offering sophisticated theoretical insights and empirical research from the First World War to contemporary conflicts around the world this Handbook underscores the centrality of gender to critical examinations of war *From the Eye of the Storm*, 2022-07-04 From the Eye of the Storm Regional Conflicts and the Philosophy of Peace presents to the reader a cross section of an emerging field of study the philosophy of peace The editors bring together articles that explore the philosophic implications of many recent regional conflicts Reflecting the diversity and vitality and any new field of study this volume contains five sections Conceptual Foundations America's Homefront Desert Storm Assessments Jihad Intifada and Other Mideast Concerns and Latin American Issues The topics of the articles include war militarism patriotism nationalism nonviolence conscientious objection feminist peace the media the ethics of the Gulf War the Israeli Palestinian conflict Islamic pacifism and Latin American resistance A concluding postscript assesses prospects for achieving peace and change within our fast changing international scene This volume has an extensive bibliography of writings concerning peace and conflict and is suited to professional and student audiences *Rocking the Ship of State: Towards a Feminist Peace Politics* Harris, A. King, Y., Women's Studies Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century The result is this truly monumental work

which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed, often evaluative, review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles, substantially extending the coverage. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb, Searing, and Stineman left off, this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field.

Unconventional Combat Michael A. Messner, 2021. In recent decades, there has been a generational shift of the US veterans' peace movement from one grounded mostly in the experiences of older white men of the Vietnam War era to one informed by a young, diverse cohort of post-9/11 veterans. In *Unconventional Combat*, Michael A. Messner traces this transformation through the life history interviews of six veterans of color to show how their experiences of sexual and gender harassment, sexual assault, racist and homophobic abuse during their military service have shaped their political views and action. Drawing upon participant observation with the Veterans For Peace and About Face organizations and interviews with older male veterans as his backdrop, Messner shows how veterans' military experiences form their collective, situated knowledge of intersecting oppressions. This knowledge, Messner argues, further shapes their intersectional praxis, which promises to transform the veterans' peace movement and potentially link their anti-militarist work with other movement groups working for change. As intersectionality has increasingly become central to the conversation on social movements, *Unconventional Combat* is not only a story about the US veterans' peace movement but it also offers broad relevance to the larger world of social justice activism.

Challenging Diversity Dominic Cooper, 2004. *Feminism and International Relations* Sandra Whitworth, 2016-01-18. This book provides a critique of the discipline of international relations from a feminist perspective. The critique is developed first theoretically. Then the author examines both feminist theories and theories of international relations with a view to developing an approach to world politics which incorporates an analysis of gender and gender relations. The critique is secondly developed through the application of the notion of gender to the activities of two international institutions: the International Parenthood Federation and the International Labour Organisation.

Rocking The Ship Of State Toward A Feminist Peace Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rocking The Ship Of State Toward A Feminist Peace Politics has revolutionized the way we consume written content. Whether you are a student

looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Rocking The Ship Of State Toward A Feminist Peace Politics* has opened up a world of possibilities. Downloading *Rocking The Ship Of State Toward A Feminist Peace Politics* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Rocking The Ship Of State Toward A Feminist Peace Politics* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Rocking The Ship Of State Toward A Feminist Peace Politics*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Rocking The Ship Of State Toward A Feminist Peace Politics*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Rocking The Ship Of State Toward A Feminist Peace Politics*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Rocking The Ship Of State Toward A Feminist Peace Politics* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
