enthraling Darcy instantly Making Alistair and the rest of the pack think that Darcy has finally decided to accept her destiny Of course not everyone wants Darcy to take over as pack leader and a sinister plan begins to develop in an effort to bring down the Collins reign once and for all *Nowhere to Hide* Zella Smoak,2023-01-12 If your life depended upon finding a place to hide where would that be When you love and trust someone betrayal becomes a nightmare The life you thought you knew crumbles into a marriage of lies and empty promises Jenny had to run to escape certain harm But where Was there any place she could be truly safe It was time to find out **Rodeo** Susan Nance,2020-04-23 What would rodeo look like if we took it as a record not of human triumph and resilience but of human imperfection and stubbornness asks animal historian Susan Nance Against the backdrop of the larger histories of ranching cattle horses and the environment in the West this book explores how the evolution of rodeo has reflected rural western beliefs and assumptions about the natural world that have led to environmental crises and served the beef empire By unearthing behind the scenes stories of rodeo animals as diverse individuals this book lays bare contradictions within rodeo and the rural West For almost 150 years westerners have used rodeo to symbolically reenact their struggles with animals and the land as uniformly progressive and triumphant Nance upends that view with accounts of individual animals that reveal how diligently rodeo people have worked to make livestock into surrogates for the trials of rural life in the West and the violence in its history Western horses and cattle were more than just props Rodeo reclaims their lived history through compelling stories of anonymous roping steers and calves who inspired reform of the sport such as the famed but abused buckner Steamboat and the many broncs and bulls famous or not who unknowingly built an industry Rodeo is a dangerous sport that reveals many westerners as people proudly tolerant of risk and violence and ready to impose these values on livestock In *Rodeo An Animal History* Nance pushes past standard histories and the sport's publicity to show how rodeo was shot through with stubbornness and human failing as much as fortitude and community spirit
