Smollett and Dickens ... Frans Dirk Wierstra,1928 *The Advanced Register Year Book of the Holstein-Friesian Association of America* Holstein-Friesian Association of America,1926 *The Greywacke* Nick Davidson,2021-05-13
SHORTLISTED FOR THE ROYAL SOCIETY SCIENCE PRIZE 2022 A joyful collision of science history and nature writing
Helen Gordon author of Notes from Deep Time Adam Sedgwick was a priest and scholar Roderick Murchison was a retired soldier Charles Lapworth was a schoolteacher It was their personal and intellectual rivalry pursued on treks through Wales Scotland Cornwall Devon and parts of western Russia that revealed the narrative structure of the Paleozoic Era the 300 million year period during which life on Earth became recognisably itself Nick Davidson follows in their footsteps and draws on maps diaries letters field notes and contemporary accounts to bring the ideas and characters alive But this is more than a history of geology As we travel through some of the most spectacular scenery in Britain it s a celebration of the sheer visceral pleasure generations of geologists have found and continue to find in noticing the earth beneath our feet **Plastic Design of Portal Frames** Jacques Heyman, *The Advanced Register of the Holstein-Friesian Association of America* ,1926

The Welsh in Iowa Cherilyn A Walley,2009-07-01 The Welsh in Iowa is the history of the little known Welsh immigrant communities in the American Midwestern state of Iowa Dr Walley s book identifies what made the Welsh unique as immigrants to North America and as migrants and settlers in a land built on such groups With research rooted in documentary evidence and supplemented with community and oral histories The Welsh in Iowa preserves and examines Welsh culture as it was expressed in middle America by the farmers and coal miners who settled or passed through the prairie state as it grew to maturity in the late nineteenth and early twentieth centuries This work seeks to not only document the Welsh immigrants who lived in Iowa but to study the Welsh as a distinct ethnic group in a state known for its ethnic heritage **China Learns from the Soviet Union, 1949-Present** Hua-Yu Li,2010-01-05 It is well known that the Soviet Union strongly influenced China in the early 1950s since China committed itself both to the Sino Soviet alliance and to the Soviet model of building socialism What is less well known is that Chinese proved receptive not only to the Soviet economic model but also to the emulation of the Soviet Union in realms such as those of ideology education science and culture In this book an international group of scholars examines China s acceptance and ultimate rejection of Soviet models and practices in economic cultural social and other realms The chapters vividly illustrate the wide ranging and multi dimensional nature of Soviet influence which to this day continues to manifest itself in one critical aspect namely in China s rejection of liberal political reform *Drum Songs* Kerry Margaret Abel,2005 The Dene nation consists of twelve thousand people speaking five distinct languages spread over 1 8 million square kilometres in the Canadian subarctic In the 1970s and 1980s the campaign against the Mackenzie Valley pipeline support for the leadership of Georges Erasmus in the Assembly of First Nations and land claim negotiations put the Dene on the leading edge of Canada s native rights movement Drum Songs reconstructs

important moments in Dene history offering a sympathetic treatment of their past the impact of the fur trade their interaction with Christian missionaries and evolving relations with the Canadian federal government Using a wide range of sources including archival documents oral testimony archaeological findings linguistic studies and folk traditions Kerry Abel shows that previous ethnocentric interpretations of Canadian history have been excessively narrow She demonstrates that the Dene were able to maintain a sense of cultural distinctiveness in the face of overwhelming economic political and cultural pressures from European newcomers Abel s classic text questions the standard perception that aboriginal peoples in Canada have been passive victims in the colonization process A new introduction discusses Dene experience since the first edition of the book and suggests how the approach of scholars in this field is changing **Catalogue** Nottingham city, Nottingham subscription libr,1881 *Collective Killings in Rural China during the Cultural Revolution* Yang Su,2011-02-21 The violence of Mao s China is well known but its extreme form is not In 1967 and 1968 during the Cultural Revolution collective killings were widespread in rural China in the form of public execution Victims included women children and the elderly This book is the first to systematically document and analyze these atrocities drawing data from local archives government documents and interviews with survivors in two southern provinces This book extracts from the Chinese case lessons that challenge the prevailing models of genocide and mass killings and contributes to the historiography of the Cultural Revolution in which scholarship has mainly focused on events in urban areas
