Modern Sculpture Douglas Dreishpoon, 2022-10-25 Artists of any ilk can be extremely opinionated when it comes to what they do, how they do it, and what it might mean. Sculptors are no exception. *Modern Sculpture Artists in Their Own Words* presents a selection of manifestos, documents, statements, articles, and interviews from more than ninety subjects, including an ample selection of contemporary sculptors. With this book, editor Douglas Dreishpoon defers to sculptors whose varied points of view illuminate the medium's perpetual transformation from object to action, concept to phenomenon over the course of two centuries. Each chapter progresses in chronological sequence to highlight the dominant stylistic, philosophical, and thematic threads that unite each kindred group. The result is a distinctive artist-centric history and survey of sculpture that showcases the expansive dimensions and malleability of the medium.
