

Roger Sessions

Sabine Feisst

Roger Sessions:

Roger Sessions Andrea Olmstead, 2012-08-06 Recognized as the primary American symphonist of the 20th century Roger Sessions 1896 1985 is one of the leading representatives of high modernism His stature among American composers rivals Charles Ives Aaron Copland and Elliott Carter Sessions was awarded two Pulitzer prizes election to the American Academy of Arts and Letters winning the Brandeis Creative Arts Award the Gold Medal of the American Academy and a MacDowell Medal in addition to 14 honorary doctorates Roger Sessions A Biography brings together considerable previously unpublished archival material such as letters lectures interviews and articles to shed light on the life and music of this major American composer Andrea Olmstead a teaching colleague of Sessions at Juilliard and the leading scholar on his music has written a complete biography charting five touchstone areas through Sessions s eighty eight years music religion politics money and sexuality Roger Sessions and His Music Andrea Olmstead, 1985 Recognized as the primary American symphonist of the 20th century Roger Sessions 1896 1985 was one of the leading representatives of high modernism His stature among American composers rivals Charles Ives Aaron Copland and Elliott Carter Sessions was awarded two Pulitzer prizes election to the American Academy of Arts and Letters winning the Brandeis Creative Arts Award the Gold Medal of the American Academy and a MacDowell Medal in addition to 14 honorary doctorates This book brings together considerable previously unpublished archival material such as letters lectures interviews and articles to shed light on the life and music of this major American composer The author a teaching colleague of Sessions at Juilliard and the leading scholar on his music has written a complete biography charting five touchstone areas through Sessions s eighty eight years music religion politics money and sexuality **Roger Sessions** Frederik Prausnitz, 2002 His music was considered too difficult for performers and audiences alike and encountered durable if intensely respectful neglect BOOK JACKET *Roger Sessions*, 1965

Conversations with Roger Sessions Roger Sessions, Andrea Olmstead, 1987 Sessions also touches on the world of professional music and on his relations with such luminaries as Arnold Schoenberg Ernest Bloch Otto Klemperer Nadia Boulanger and Igor Stravinsky He proves himself here to be a superb raconteur whose charming anecdotes consistently surprise and instruct Sessions tells us for instance how his misreading of a poem by James Joyce led to a piece for solo soprano and an embarrassing encounter with the great writer s daughter in law He also comments wryly on the critical reception of his more controversial works in another instance he describes an unlikely fistfight between Sarah Caldwell s mother and an unsympathetic concertgoer at the world premiere of Montezuma *Circle of Winners* Denise Von Glahn, 2023-08-01 An essential high culture institution the John Simon Guggenheim Memorial Foundation has both supported and molded American musical culture Denise Von Glahn examines the Foundation and its immense influence from the organization s prehistory and origins through the onset of World War II Funded by the Guggenheim mining fortune the Foundation took early shape from the efforts of Carroll Wilson Frank Aydelotte and Henry Allen Moe three Rhodes Scholars

who initially struggled to envision and implement the organization's ambitious goals Von Glahn also examines the career of the longtime musical advisor Thomas Whitney Surette while profiling early awardees Aaron Copland Ruth Crawford Seeger William Grant Still Roger Sessions George Antheil and Carlos Chávez She examines the processes behind their selection their values and aesthetics and their relationships with the insiders and others who championed their work

Analyses of Nineteenth- and Twentieth-Century Music, 1940-2000 D. J. Hoek, 2007-02-15 The latest volume in the Music Library Association's Index and Bibliography series *Analyses of Nineteenth and Twentieth Century Music 1940-2000* features over 9 000 references to analyses of works by more than 1 000 composers of the nineteenth and twentieth centuries References that address form harmony melody rhythm and other structural elements of musical compositions have been compiled into this valuable resource This update of Arthur Wenk's well-known bibliography last published in 1987 includes all the original entries from that work along with additional references to analyses through 2000 International in scope the bibliography covers writings in English French German Italian and other European languages and draws from 167 periodicals as well as important theses dissertations books and *Festschriften* References are arranged alphabetically by composer and include subheadings for specific works and genres This bibliography provides students scholars performers and librarians with broad coverage detailed indexing and ready access to a large and diverse body of analytical literature on nineteenth and twentieth century music

Roger Sessions on Music Roger Sessions, 2015-03-08 Over the past fifty years Roger Sessions has developed in articles lectures and addresses various themes that reflect the stages of his own musical and intellectual growth These themes form the basis of the present collection of essays Many of the essays deal with specific problems that musicians especially composers have faced during the past five decades problems related to new musical styles and techniques to the position of composers in society to their responsibilities as teachers to their role during the period of the world wars to the mutual reactions of composer and audience and to the basic questions of musical form and expression The collection also includes a set of critical essays on such seminal figures as Bloch Schoenberg and Stravinsky Roger Sessions is the composer of a recently recorded cantata on Whitman's *When Lilacs Last in the Dooryard Bloom'd* as well as numerous other works He is the author of *The Musical Experience of Composer Performer and Listener* Princeton Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Schoenberg's New World Sabine Feisst, 2017-01-01 Arnold Schoenberg was a polarizing figure in twentieth century music and his works and ideas have had considerable and lasting impact on Western musical life A refugee from Nazi Europe he spent an important part of his creative life in the United States 1933-1951 where he produced a

rich variety of works and distinguished himself as an influential teacher. However, while his European career has received much scholarly attention, surprisingly little has been written about the genesis and context of his works composed in America, his interactions with Americans and other migrants, and the substantial, complex, and fascinating performance and reception history of his music in this country. Author Sabine Feisst illuminates Schoenberg's legacy and sheds a corrective light on a variety of myths about his sojourn. Looking at the first American performances of his works and the dissemination of his ideas among American composers in the 1910s, 1920s, and early 1930s, she convincingly debunks the myths surrounding Schoenberg's alleged isolation in the US. Whereas most previous accounts of his time in the US have portrayed him as unwilling to adapt to American culture, this book presents a more nuanced picture, revealing a Schoenberg who came to terms with his various national identities in his life and work. Feisst dispels lingering negative impressions about Schoenberg's teaching style by focusing on his methods themselves, as well as on his powerful influence on such well-known students as John Cage, Lou Harrison, and Dika Newlin. Schoenberg's influence is not limited to those who followed immediately in his footsteps; a wide range of composers, from Stravinsky adherents to experimentalists to jazz and film composers, were equally indebted to Schoenberg, as were key figures in music theory like Milton Babbitt and David Lewin. In sum, Schoenberg's *New World* contributes to a new understanding of one of the most important pioneers of musical modernism.

Dictionary of American Classical Composers Neil Butterworth, 2013-10-02. The *Dictionary of American Classical Composers* covers over 650 composers active from the 18th century to today. Covering all classical styles, it offers the most comprehensive overview of key composers in the United States available. Entries include basic biographical information and critical analysis of each composer's key works and ideas. Entries also include worklists and bibliographic information. Whenever possible, the entries will have been checked by the composers themselves to assure the greatest possible accuracy. This new edition, completely updated and expanded from the 1984 edition, also includes over 200 historic photographs.

When somebody should go to the book stores, search inauguration by shop, shelf by shelf, it is essentially problematic. This is why we offer the book compilations in this website. It will completely ease you to see guide **Roger Sessions** as you such as.
