The Mexican Filmography, 1916 through 2001 David E.

Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release

The Value Gap Courtney Brannon Donoghue, 2023-08-08 How female directors producers and writers navigate the challenges and barriers facing female driven projects at each stage of filmmaking in contemporary Hollywood Conversations about gender equity in the workplace accelerated in the 2010s with debates inside Hollywood specifically pointing to broader systemic problems of employment disparities and exploitative labor practices Compounded by the devastating MeToo revelations these problems led to a wide scale call for change The Value Gap traces female driven filmmaking across development financing production film festivals marketing and distribution examining the realities facing women working in the industry during this transformative moment Drawing from five years of extensive interviews with

female producers writers and directors at different stages of their careers Courtney Brannon Donoghue examines how Hollywood business cultures value female driven projects as risky or not bankable Industry claims that movies targeting female audiences don t make money or women can t direct big budget blockbusters have long circulated to rationalize systemic gender inequities and have served to normalize studios prioritizing the white male driven status quo Through a critical media industry studies lens The Value Gap challenges this pervasive logic with firsthand accounts of women actively navigating the male dominated and conglomerate owned industrial landscape
