Rogue Apostle:

Defense for Biblical Trinity Theology and the Doctrine of Holiness Samuel R. Siders, 2021-03-16 Theology and Christology are intense biblical discussions as well as the doctrine of holiness which I have been involved in as an apologist Defense of the Scriptures and the kingdom of God Jude 1 3 for over a decade on social media among other intense topics with Muslims Israelis atheists Gnostics false cults and a myriad of various denominations that call themselves Christians because not everyone agrees on what the Bible teaches about the Father Son and Holy Spirit Most of what will be shared in the first section of this book will be in defense of who Jesus is in His fullness His Christology which includes the biblical fact that Jesus is both deity through heredity in spirit and soul like His Father Almighty God is deity and as eternal as His Father Almighty God The second section of this book will provide the information that proves obedience to God s moral ethical laws is required to receive eternal life after receiving Jesus atonement grace through faith for sin to be cleansed and forgiven Obedience is not an option to be ignored but a required effort to be made and improved upon and God has given His Holy Spirit to teach us how to perfectly obey Him and the help to succeed Nowhere does the Bible teach that obedience to God s moral ethical laws atone for sin nowhere but the Bible does teach obedience making the conscious effort to go onto perfection with our physical body flesh is required to receive eternal life God uses obedience to render our physical body righteous This book will share in greater detail about the topic of faith grace atonement and obedience all three are required to receive eternal life not atonement grace through faith only **Better** Melvin Bray, 2017-02-14 What if we could actually change the world by telling better stories What if the world we have with its racism sexism heterosexism ableism religious hatred ecological disregard is exactly the world we have spun into existence through the stories we have told In his new book Melvin Bray insists that a better world is possible if the stories around which we organize our lives begin to match the beauty we imagine is possible Bray puts forth his own daring yet faithful reimaginings of classic faith stories that inspire more beautiful more just more virtue filled ways of being in the world Better offers a spiritual path on which people for whom life has called into question many of their assumptions about God and the world can continue to hold onto their faith while joining others of goodwill in seeking sustainable cooperative and courageous answers to the seemingly intractable problems of our time **Judas** Peter Stanford, 2017-01-10 This fascinating biography asks Christians and non believers alike to look anew at Judas revealing the Apostle s cultural significance and impact on world history Fox News Deconstructing the myths and hatred often anti Semitic in nature surrounding the most vilified of Bible characters In this fascinating historical and cultural biography Peter Stanford brings to life Judas Iscariot who famously betrayed Jesus with a kiss Beginning with the gospel accounts Stanford explores 2 000 of cultural and theological history to investigate how the very name Judas came to be synonymous with betrayal and ultimately human evil But as Stanford points out there has long been a counter current of thought that suggests that Judas might in fact have been victim of a terrible injustice central to Jesus mission was his death

and resurrection and for there to have been a death there had to be a betrayal This thankless role fell to Judas Should we in fact be grateful to him for his role in the divine drama of salvation You ll have to decide as Bob Dylan sang in the 1960s whether Judas Iscariot had God on his side An essential but doomed character in the Passion narrative and thus the entire story of Christianity Judas and the betrayal he symbolizes continue to play out in much larger cultural histories speaking to our deepest fears about friendship betrayal and the problem of evil A satisfying left field approach to the entire history of Christianity The Sunday Telegraph Galatians Kevin Perrotta,2009-05-01 Through Galatians Free in Christ Bible study participants will discover why conversion in Christ offers a new life of truly radical freedom A Guided Discovery of the Bible The Bible invites us to explore God s word and reflect on how we might respond to it To do this we need guidance and the right tools for discovery The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six week format Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader friendly format gives suggestions for prayer that help readers respond to God s word appeals to beginners as well as to advanced students of the Bible By reading Scripture reflecting on its deeper meanings and incorporating it into our daily life we can grow not only in our understanding of God s word but also in our relationship with God **Beautiful Unbroken** Mary Jane Nealon,2011-07-19 An unflinching memoir by a working nurse As a child Mary Jane Nealon dreams of growing up to become a saint or failing that a nurse She idolizes Clara Barton Kateri Tekakwitha and Molly Pitcher whose biographies she reads and rereads But by the time she follows her calling to nursing school her beloved younger brother is diagnosed with cancer which challenges her to bring hope and healing closer to home His death leaves her shattered and she flees into her work and into poetry Beautiful Unbroken details Nealon s life of caregiving from her years as a flying nurse untethered and free to follow friends and jobs from the Southwest to Savannah to more somber years in New York City treating men in a homeless shelter on the Bowery and working in the city s first AIDS wards In this compelling and revealing memoir Nealon brings a poet s sensitivity to bear on the hard truths of disease and recovery life and death **A Modern Apostle** Constance Naden,1887 **Iron Winter** Stephen Baxter,2013-11-05 Praised as not only a gifted storyteller but also a master of speculative fiction Library Journal bestselling author Stephen Baxter brings his epic Northland trilogy to a close as a once thriving civilization faces winter without end Many generations ago the Wall was built to hold back the sea A simple dam it grew into a vast linear city home to scholars builders and merchants Northland s prosperity survived wars and unrest and brought the whole of Europe together But now darkness is falling Days grow shorter temperatures colder and in the wake of long winters come famine destruction and terror As a mass exodus to warmer climes threatens to fracture Northland one

man believes he can outwit the cold and even salvage some scraps of the great civilization before interminable gloom settles over the land before the fires of war lay waste to an empire before the ice comes **Millennialism and Violence** Michael Barkun, 2012-12-06 As the world approaches the year 2000 many societies are experiencing an unprecedented growth in millenarian movements that anticipate an imminent and total transformation of the world Many of these movements have been associated with violence either as a means for producing change or as a response to confrontations with state authority This book draws together research on this topic from political science psychology sociology and history in an attempt to understand the relationship between millenarian movements and episodes of violence **Galatians** Nijay K.
