Rogue Bolo:

Rogue Bolo Keith Laumer, 1986 From An abbreviated History of the Bolo The direct ancestor of the Bolo was constructed in the late 1990 s This machine at one hundred fifty tons was essentially a bigger and better tank although it was capable of performing crewless patrol duty it carried a crew of three in battle The Mark II of 1999 was less dependent on human guidance With its enhanced on board fire control and guidance computers it required only one crewman for full battlefield operation In a sense the Mark III of 2020 was a step backward it required two operators But the Mark III packed more effective firepower than an infantry battalion of the time and its durachrome hull could withstand an atomic blast The first Bolo designed to operate without direct human guidance was the Mark XV The first self aware Bolo was the Mark XX By the time of the Bolo Mark XXX human strategic thinking was no longer required Pg 4 of cover Bolo Keith Laumer, 2020-02-25 What happens when a self aware fighting machine decides to go rogue **Rogue Bolo** Keith Laumer, 2016-03-24 From An Abbreviated History of the Bolo The first completely automated Bolo designed to operate normally without a man on board was the landmark XV Model M This model first commissioned in the twenty fifth century was widely used throughout the Eastern Arm during the Era of Expansion and remained in service on remote worlds for over two centuries acquiring many improvements in detail while remaining basically unchanged through increasing sophistication of circuitry and weapons vastly upgraded its effectiveness The always present through perhaps unlikely possibility of capture and use of a Bolo by an enemy was a constant source of anxiety to military leaders and in time gave rise to the next and final major advance in Bolo technology the self directing and quite incidentally self aware Mark XX Model B Bolo Tremendous The Mark XX was greeted with little enthusiasm by the High Command who now professed to believe that an unguided by operator Bolo would potentially be capable of running amok **Bolo** Keith Laumer, 2016-02-29 Unrivaled in the history of artillery and unsurpassed in its ability to reason Bolo replaced man in that most human of endeavors war In these scintillating tales of the ever advancing Dinochrome Brigade the most effective weapons ever devised tell their own story in action packed chronicles of extra terrestrial adventure Bolo fighting in proud combat as monster saviors of their human creators Retief's Ransom Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat extraordinary To his powerful intellect the machinations of the Groaci were child s play *The Ultimax Man* Keith Laumer, 2016-02-29 In the next few days you will master the rules and techniques for every activity skill talent sport and art ever mastered by any human being anywhere You will be as expert at clipping flints as at architectural drawing You will be able to juggle walk a tightrope and add the numerals on the sides of passing freight cars as fast as any idiot savant You ll

The world as Lafayette O Leary knew it disappeared in a flash Perhaps it was his own doing after all he had the uncanny gift of creating alternate realities by sheer mental power But the result was a nightmare gone out of control All O Leary wanted was to find his wife and return to the familiar world of Artesia Yet no sooner did he manage to extricate himself from one bizarre situation than he was thrust into another equally threatening There was only one thing to do he had to penetrate the very center of power from which his destiny was being controlled and take it into his own hands **The Infinite Cage** Keith Laumer,2016-03-24

The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse *Galactic Odyssey* Keith Laumer,2016-02-29
