Las Brigadas Internacionales Josep Sánchez Cervelló, Sebastián

Agudo, 2015-04-23 Las Brigadas Internacionales forman parte indisoluble de nuestra memoria histórica asociada a la Guerra Civil una memoria histórica bien distinta según de qué lado de las trincheras se estuviera así como de la ideología y valores de los que nos hagamos partícipes los españoles y cuantos extranjeros los asuman como propios Sobre ellas no dejan de aparecer estudios e investigaciones como los que hoy se reúnen aquí que tienen su origen en algunas de las ponencias y comunicaciones presentadas en el Congreso Internacional del Antifascismo Combatiente desde las Brigadas Internacionales

a la resistencia que tuvo lugar en Barcelona con motivo del 75 aniversario de la creación de las Brigadas los días 27 28 y 29 de octubre de 2011 Participaron en tal evento destacados especialistas españoles y extranjeros que abordaron la cuestión desde diversas perspectivas enriqueciendo a nuestro conocimiento de su participación en la GCE y su significación histórica

Rojo Marc Cistaré, 2025-10-23 En la España de la posguerra solo había una cosa peor que llamarse Rojo y era apellidarse Rojo Rojo Esto es lo que no deja de repetirse el protagonista de esta historia Conrado Rojo Rojo ha pasado la contienda sano y salvo en un puesto administrativo del bando nacional Sin embargo ahora debe empezar a trabajar en un campo de prisioneros donde cumplen condena los perdedores republicanos El día de su llegada Conrado es testigo de un abuso de autoridad que termina en tragedia En ese instante comprende que sus nuevas responsabilidades están llenas de contradicciones y de peligros tanto por parte de los guardias como de los desafortunados internos Un coronel le dicta un delirante plan de fuga y un personaje nuevo empeñado en hacer el bien a pesar de que su entorno se vuelve cada vez más siniestro conforman una espléndida tragicomedia Una muestra de la carismática y a la vez más surrealista de los primeros años de la dictadura cuando España vivía dividida entre vencedores y vencidos **La tortura en la España contemporánea**

Pedro Oliver Olmo, 2020-10-20 Quiénes como y a quiénes se ha torturado Esta obra constituye el punto de arranque para contextualizar la práctica de la tortura en España desde principios del siglo XIX hasta la actualidad Coge el testigo de la obra de Francisco Tomás y Valiente que analizaba estas prácticas durante el Antiguo Régimen una vez se abole la tortura judicial y pasa a manos de los Gobiernos y las fuerzas de seguridad En estas páginas observamos con detalle la importancia pública de la tortura entre finales del siglo XIX y principios del XX cuando emerge como herramienta de denuncia y agitación política agigantada poco después cuando pasa por el verdadero horror de la Guerra Civil para llegar a su uso como parte de la maquinaria represiva de la dictadura franquista y los cambios que fue experimentando durante los años de la Transición Sin olvidar las formas que fue tomando durante los primeros gobiernos democráticos de Felipe González y José María Aznar y su utilización como parte de la estrategia antiterrorista No se queda ahí y continúa hasta el presente utilizando fuentes más detalladas para realizar un acercamiento a las formas en que los malos tratos son utilizados hoy en día en un Estado democrático moderno rechazando la tesis que la presenta como una herencia del franquismo y poniendo la responsabilidad de su existencia en todos los ciudadanos Catalonia Since the Spanish Civil War Andrew Dowling, 2013

This book examines the transformation of the Catalan nation in socio economic political and historical terms and offers an innovative interpretation of the determinants of its nationalist mobilisation With Franco's and Spanish nationalism's victory in 1939 and the consolidation of a long lasting dictatorship it appeared certain that the Catalan national movement would be crushed Yet this did not happen and Catalan nationalism and identity re-emerged at the end of Franco's dictatorship in 1975 more firmly rooted than before The core of this book traces the Francoist repression and the nationalist response to it demonstrating how new political actors reconfigured Catalan nationalism over the course of the Franco regime 1939 1975

Post Franco Catalan cultural and political identity was consolidated and Catalonia became the most successful state less nationalism in western Europe The 21st century has been marked by an ever growing independence movement culminating in the vast demonstration in the city of Barcelona in July 2010 Andrew Dowling provides multi faceted viewpoints in historic perspective and reflects on possible steps and outcomes for this new pro independence turn in Catalan nationalism This study will appeal not only to students of Spain but also to those interested in nationalism as a separate issue of enquiry The themes treated in the book Franco s Spain nationalism anarchism Catholicism communism and the Catalan role in Spain s transition to democracy make this work an essential point of reference for students and researchers in Hispanic studies modern European history and political science Published in association with the Catalan Observatory London School of Economics
