The Fantasy Role-Playing Game Daniel Mackay, 2017-08-11 Many of today's hottest selling games both non electronic and electronic focus on such elements as shooting up as many bad guys as one can Duke Nuk em beating the toughest level Mortal Kombat collecting all the cards Pokemon and scoring the most points Tetris Fantasy role playing games Dungeons instead they interact with each other and with the fantasy setting The game is played orally with no game board and although the referee usually has a storyline planned for a game much of the action is impromptu Performance is a major part of role playing and role playing games as a performing art is the subject of this book which attempts to introduce an appreciation for the performance aesthetics of such games The author provides the framework for a critical model useful in understanding the art especially in terms of aesthetics of role playing games The book also serves as a contribution to the beginnings of a body of criticism theory and aesthetics analysis of a mostly unrecognized and newly developing art form There are four parts the cultural structure the extent to which the game relates to outside cultural elements the formal structure or the rules of the game the social structure which encompasses the degree and quality of social interaction among players and the aesthetic structure concerned with the emergence of role playing as an art form

Ultraverse Roleplaying System Bruce Adams, 2018-01-23

Ultraverse is a fast paced system designed to create superherofantasy science fiction and countless other types of adventures for players Each player assumes their own role as a character in each campaign that the Gamemaster GM creates Ultraverse is designed to emulate the fictional powers and abilities found in the pages of four color comic books Polyhedral dice such as d20 d12 d10 d8 d6 and d4 are required for play in Ultraverse Hexagonal or Square maps are useful but not required for playing I have tried to make the system easy to understand fast paced and simple for players to get started I am proud to have created Ultraverse and hope the readers have fun gaming *Tibet* Brian St. Claire-King,2004
