Evolving Leader Roles

Although a lot is changing, many things are staying the same. For management, the duty to manage is still a key component of the job, which includes performance management, hiring and firing authority and ensuring safe working conditions. Physician sponsors/leaders retain ultimate responsibility for clinical decision making, and union leaders retain the responsibility to represent. You retain these individual responsibilities, while working in a more collaborative way to solve problems.

All three constituencies are responsible for:	
[✓]	Success of the department
[✓]	Success of Kaiser Permanente and the unions
[✓]	Involving employees in effective decision making
[✓]	Supporting the Partnership
[✓]	Securing LMP and UBT training for employees
[✓]	Establishing effective labor management relations
[✓]	Making sure employees provide a superior health care experience for health plan members

Each retains the following constituency-specific responsibilities:

Union Leaders/Stewards	
[✓]	Duty of fair representation
[✓]	Grievance filing/handling
[✓]	Contract enforcement/negotiation
[✓]	Building solidarity within the union
[✓]	Organizing

Physicians	
[✓]	Ultimately accountable for clinical decision making for care of member/patients
[✓]	Clinical supervision of allied health personnel
[✓]	Responsible for clinical quality

Managers	
[✓]	Personnel responsibilities (final authority for hiring and firing)
[✓]	Performance management (goals, reviews, rewards, development)
[✓]	Safe work environment
