The Publishers Weekly, 2002

Longitudes and Attitudes Thomas L. Friedman, 2002-09-11 America's leading observer of the international scene on

the minute by minute events of September 11th before during and after As the Foreign Affairs columnist for the The New York Times Thomas L Friedman is in a unique position to interpret the world for American readers Twice a week Friedman s celebrated commentary provides the most trenchant pithy and illuminating perspective in journalism Longitudes and Attitudes contains the columns Friedman has published about the most momentous news story of our time as well as a diary of his experiences and reactions during this period of crisis As the author writes the book is not meant to be a comprehensive study of September 11 and all the factors that went into it Rather my hope is that it will constitute a word album that captures and preserves the raw unpolished emotional and analytical responses that illustrate how I and others felt as we tried to grapple with September and its aftermath as they were unfolding Readers have repeatedly said that Friedman has expressed the essence of their own feelings helping them not only by explaining who they are but also by reassuring us about who we are More than any other journalist writing Friedman gives voice to America s awakening sense of its role in a changed world

The Oxford Handbook of Feminist Theology Mary McClintock Fulkerson, Sheila Briggs, 2012 This volume highlights the relevance of globalization and the insights of gender studies and religious studies for feminist theology It focuses on the changing global contexts for the field and its movement towards new models of theology distinct from the forms of traditional Christian systematic theology and of secular feminism

Post 9/11 and the State of Permanent Legal Emergency Aniceto Masferrer, 2012-05-09 The terrorist attacks occurred in the United States on 11 September 2001 have profoundly altered and reshaped the priorities of criminal justice systems around the world Atrocities like the 9 11 attacks the Madrid train bombings of March 2003 and the terrorist act to the United Kingdom of July 2005 threatened the life of democratic nations The volume explores the response of democratic nation states to the problems of terrorism and counter terrorism within the framework of the Rule of Law One of the primary subjects of study is the ways in which the interests of the state security from external threats the maintenance of civil peace and the promotion of the commonwealth are balanced or not with the liberty and freedom of the citizens of the state The distinctive aspect of this focus is that it brings a historical political philosophical and comparative approach to the contemporary shape and purposes of the criminal justice systems around the world
