Canadian Foreign Investment Screening Procedures and the Role of Foreign Investment in the Canadian Economy United States. Congress. Joint Economic Committee. Subcommittee on Inter-American Economic Relationships,1976 **UnREAL-ESTATE CANADA** Ron Battiston, 2017-05-04 The is the first book to ever describe the reality of real estate in Canada It shows you how to purchase and sell real estate and also shows you alternatives that work very well This is complex subject and the Author s sense of humor helps describe it in ways that are easy to understand and fun to read The ^APolitics of Language Carol L. Schmid, 2001-05-03 Important aspects of the history of language in the United States remain shrouded in myth and legend The notion of one nation one language is part of the idealized history of the United States although in its short history it has probably been host to more bilingual people than any other country in the world Language is more than a means of communication It brings into play an entire range of experiences and attitudes toward life Furthermore language is a potent symbolic issue because it links power and political claims of ownership with psychological demands for group worth How people belonging to different language and cultural communities live together in the same political community and how political and structural tensions arise to divide them along language lines are questions addressed in *The Politics of Language* This book analyzes the historical background and recent controversy over language in the United States and compares it to two official multilingual societies Canada and Switzerland It s accessibility as a survey of this topic makes it ideal for courses in linguistics political science and sociology *The Canada Handbook* Adrian Raeside, 2025-10-14 Bestselling cartoonist Adrian Raeside delivers a hilarious celebration of Canada s quirks

strengths and independent spirit Looking for a reminder of why Canada is the best place to call home This tongue in cheek guide offers plenty of reasons why the True North stands strong and free Our healthcare isn't tied to our jobs Our elections last six weeks not an eternity Our beer is stronger our landscapes wilder and let's not forget Donald Trump doesn't live here eh Touching on wilderness survival civics lessons and everything in between The Canada Handbook is packed with sharp observations and laugh out loud cartoons that celebrate what makes this country uniquely Canadian Whether you're a newcomer or a lifelong Canuck Adrian Raeside's witty take on life north of the 49th parallel is sure to make you chuckle and maybe even feel a little prouder to be Canadian
