Looking For My Wings:

Looking For Enid Duncan McLaren,2012-09-06 This is a strikingly inventive and unusual portrait of the most successful English writer for children until J K Rowling Enid Blyton who entertained millions worldwide with her myriad adventure stories and mysteries but was herself both an adventure and a mystery This book is for everyone who ever wondered what kind of woman Enid Blyton was Enid Blyton gave us the Famous Five and Fatty s Find Outers the Enchanted Wood and the Wishing Chair Some of us encouraged by austere critics have pretended no longer to want what Enid gave We have pretended that we were not once upon a time enthralled by her stories We have chosen to forget how much we loved the time we spent in their company And we have feigned disdain Now Duncan McLaren offers lapsed devotees the possibility of honest redemption If you re willing to acknowledge that Enid Blyton once mattered to you you are warmly invited to accompany Duncan on an adventure that will investigate what made Enid Enid and endeavour to reach the source of her torrent of stories those that came when she was letting her mind go free *Sanctuary* V. L. Ikerd,2021-10-15 In the far future humanity has spread to nearly eight hundred planets All these planets need some very extensive terraforming to be inhabited Along the way they meet with another sentient race who after some struggles joins the human race in exploring the galaxy Now a group of explorers has discovered a planet so much like Earth that it is statistically impossible Some of the plants and animals are exact DNA matches to Earth s flora and fauna Other flora and fauna although very alien in appearance are also compatible to human life When the explorers discover the reason it rocks their beliefs to the core and changes their civilization forever This is a sci fi fantasy story designed to enthrall and delight children and adults alike and open their minds to the possibilities **The Dayspring** ,1881 The Revelation: Search for the Apocrypha Albert Armbrister,2022-01-25 Revelation I Book Blurb Mutiny Dark forces everywhere he goes Watching his close friend betray him during the first war in Heaven How much can one angel take Uriel a casualty of the first angelic war now wakes up to meet His Majesty for a mission he does not understand The search for the Apocrypha With no knowledge of the world he is about to enter Uriel takes on the mission As he begins to understand the true nature of his mission another revelation is revealed The N E P H I Project What secrets does this project hold And how is it connected to his search **VampWitch** T. bilingual collection shares new translations of old stories recorded over the last four decades through interviews with Yup'ik elders from throughout southwest Alaska. Some are true traditional tales while others are recent. Some are well known like the adventures of the wily Raven while others are rarely told. All are part of a great narrative tradition shared and treasured by Yup'ik people into the present day. This is the first region-wide collection of traditional Yup'ik tales and stories from Southwest Alaska. The elders and translators who contributed to this collection embrace the great irony of oral traditions that the best way to keep these stories is to give them away. By retelling these stories they hope to create a future in which the Yup'ik view of the world will be both recognized and valued. The zoologist ,1877 Popular Aviation ,1928

However the car accident that paralyzed her father still plagues her with guilt. In the end she must choose between the fantasy of Chimeroan and the reality of her family. **Leaving the Nest** Trevor C. Murray,2013-07-26 Wyatt's life hasn't gone according to plan. He had to grow up and fend for himself at an early age. He and his best friend Ty live in California along with their friends Tatum and Rickie. This is a compelling story about a group of Ravens trying to figure out their lives and what they want as opposed to what is best for them. Wyatt wants a change in his life, a change of scenery, and he wants his best friend and girlfriend to go with him. Life is about overcoming challenges; sometimes things happen to us that we can't explain and/or understand. We build relationships and we grow up. Wyatt's independence and leadership leads Ty and Tatum to reach for new opportunities going above and beyond surpassing their doubts and fears. This is a story about how difficult it is to leave the place that was called home, moving to a different state. It's also about trust and love. **Orange Coast Magazine** ,1991-01 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content as well as compelling photographs and design.
