One River, One Love Luis Cernuda, 2015 A new translation of *Un río un amor* One River One Love by Luis Cernuda 1902 1963 Written in France and Spain in 1928 1929 this collection reflects the influences conflicts and impulses that governed the poet's life then and is faithful to the author's quasi Surrealist intentions

Selected Poems of Luis Cernuda Luis Cernuda, Reginald Gibbons, 1999 Few modern poets in any language give us this chilling sense of knowing ourselves to be before a man who really speaks effectively possessed by the fatality and the lucidity of passion If it were possible to define in a phrase the place Cernuda occupies in modern Spanish language poetry I would say he is the poet who speaks not for all but for each one of us who makes up the all And he wounds us in the core of that part of each of us which is not called glory fortune or ambition but the truth of ourselves Octavio Paz

The Poetry of Luis Cernuda Neil Charles McKinlay, 1999 A study of the work of the Spanish poet Luis Cernuda 1902 1963 The works of the twentieth century Spanish poet Luis Cernuda 1902 1963 are characterised by their fragmentary and disunified nature with a wide range of complexities and contradictions Concentrating on the well known *La realidad y el deseo* Dr McKinlay considers the poems from the perspective of the widespread loss of faith in God exploring the tension between Cernuda's perception of chaos and desire for order which co exist in dialectical opposition NEIL C MCKINLAY is college lecturer in Spanish at New College Oxford

The Poetry of Luis Cernuda Luis Cernuda, 1971

The Word and the Mirror Salvador Jiménez-Fajardo, 1989 These illuminating essays generally follow the chronology of the twentieth century Spanish poet Luis Cernuda's creative life beginning with the poet's early surrealist collections and encompassing his last volume of verse *Desolación de la quimera* The disconsolate chimera The select bibliography includes all significant items of Cernuda criticism of the past forty years

Written In Water Luis Cernuda, 2004-05 While Cernuda's verse is vivid testimony to various aspects of his biographical itinerary it is in his prose poems that he traces more explicitly an outline of his life's journey Reviewing this work Octavio Paz wrote In these memories and landscapes in these notes toward the history of his sensibility there is great objectivity the poet doesn't set out to fantasize or to lie to himself or anyone else He attempts only to illuminate with an almost impersonal light something very personal a few moments in his life But is it truly ours this life we live Luis Cernuda 1902 1963 was one of the leading poets of Spain's Generation of 1927 which included Federico García Lorca Rafael Alberti and Jorge Guillén

Luis Cernuda Derek Harris, 1973

Other Voices Alexander Coleman, 1969 Through careful reading of Luis Cernuda's later poetry written after 1936 Alexander Coleman argues that Luis Cernuda was a poet whose primary impulse in his art was the suppression of the subjective and the consequent objectivization of poetry

Juan Goytisolo Alison Ribeiro de Menezes, 2005. This book assesses Goytisolo's contribution to cultural debates in Spain since the sixties and revises the prevailing critical interpretation of his fiction, arguing that his works represent an ethical engagement with postmodernist theory rather than an illustration of it. This monograph offers two new perspectives on Spanish writer Juan Goytisolo. First, under the themes of authorship and dissidence, it integrates his writing across several genres, providing a rounded assessment of his contribution to cultural debates in Spain since the sixties and arguing that resistance to repressive discourses characterizes his essays and autobiographies as much as his fiction. Second, it revises the prevailing critical interpretation of Goytisolo's fiction by building on four premises: that his novels are less clearly oppositional than prevailing interpretations imply; that in order to engage with discourses of identity, he employs an idiom which, contrary to his own statements, is not a poststructuralist autonomous world of words; that a textual practice grounded in the recognizable experience of post-Civil War Spain, rather than one which seeks out the realm of pure textuality, is essential to Goytisolo's subversive political intentions; and that the autobiographical element of much of his work constitutes a more complex narrative aesthetic than has been appreciated. The book argues that if Goytisolo's work is interpreted as an ethical engagement with postmodernist theory rather than as an illustration of it, then certain contradictions for which he has been criticized are seen in a new and valuable light.

B. Morris, 1969-09 This critical study of the group of remarkably talented poets who flourished in Spain between the First World War and the Spanish Civil War includes copious quotations accompanied by English prose translations Mr Morris treats his poets as a group showing how they shared certain themes and attitudes He begins with a general study of the generation as a whole and then examines the use of tradition the zest and levity of the Jazz Age the exaltation of life as a shared attitude then its converse the escape from life and finally the expression in complex imagery of personal tensions and disturbances These are often difficult poets but become less so when they are sympathetically examined in this way and in relation to earlier literary traditions Mr Morris enables the reader to take bearings and establish relationships which are enhanced by reproductions of photographs of the poets *Fundacion Luis Cernuda* Luis Cernuda Fundación,
