and the Roman House Churches Reta H. Finger, 2006-01-25 In AD 57 or 58 the apostle Paul sent his faithful coworker and patron Phoebe on an eight hundred mile journey to deliver a letter to all the Christians in Rome He was concerned about racial lifestyle and political tensions in the house church groups there Some believers were more conservative some more liberal How could they live in unity and help Paul in his mission Today we have Paul's letter but know little about its historical context Yet similar tensions still trouble churches Too often Romans has been misused to divide Christians from Jews or Christians from each other Finger claims we cannot understand Romans for our day unless we grasp its original setting She guides users of the book to re create house churches as in first century Rome Participants assume various roles and hear Phoebe proclaim Paul's message afresh They will not all agree on what Paul means Where they do catch his meaning they may not accept it How does Jesus' gospel teach them to get along together when they can't agree This book will also benefit individual readers and the learning through simulation is adaptable to groups of many ages and levels of education biblical awareness and spiritual maturity Diversity stimulates and enhances discussion The goal is to hear and apply the message of Romans to our lives today and have fun in the process *Luke* Orion N. Slightly Bad Girls of the Bible Liz Curtis Higgs, 2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from Slightly Bad Girls of the Bible *The Living Church*, 1952

Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom

The Kingdom Parables Kyewoon Choi, 2023-10-14 The Bible consistently reveals God's Kingdom as His sovereign rule over all creation inaugurated through Jesus' first coming and to be fully realized at His return Until then believers are called to live faithfully using their God-given gifts and staying watchful in prayer as they await Christ's return and final judgment

The Conclusion of Luke-Acts Charles B. Puskas, 2009-01-01 The conclusion of Luke Acts is regarded as one of the most important chapters of Luke's two-volume work Several significant Lukan themes are found in Acts 28 all of which make some contribution to the purpose and aim of the author in writing Luke Acts the Gentile mission the triumph of God's Word and the relationship of Christianity with Judaism and Rome Acts 28 contains many historical problems that have been debated for centuries

including the we statements the figure of Paul in Acts 28 and the abrupt ending Puskas compares the conclusion of Acts with other important chapters of Luke Acts the introduction of the Gospel the conclusion of Acts the defense of Paul chapters as well as other passages In this significant chapter of Acts 28 there are still fundamental problems of exegesis that need to be addressed What is the literary function of Acts 28 What is Luke trying to tell his readers in the text
