Luke Following Jesus:

Luke Sharrel Keyes, 2011-05-25 Following Jesus what an exciting spiritual adventure But Jesus said faithfulness to Him means putting aside personal priorities Readers will discover how to have the faith to follow **The Upside Down Way** Matthew Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncretized light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith *Following Jesus* Phillip C. Thraikill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me *Following Jesus with Luke* Stonecroft Ministries, 2013-01-01 What would it have been like to walk around with Jesus watching what He did and hearing what He said This ten week study will guide readers through the eyewitness accounts gathered by Luke in his Gospel As they read selected Bible passages go over straightforward explanations and applications and wrestle with open ended questions participants will find their perspective on the Son of Man the God who identified Himself with us completely forever changed About This Series Stonecroft Bible Studies encourage people to know God and grow in His love through exploration of His life transforming Word the Bible Each book is designed for both seekers and new believers and includes easy to understand explanations and applications of Bible passages and study questions Following Jesus (Luke 9-12) Gordon Cheng, 2004

Following Jesus to Jerusalem: Luke 9-19 Paul Barnett, 2012-06-01 In this study of Luke's Gospel chapters 9 to 19 Australian Bible scholar Paul Barnett traces the journey of Jesus to Jerusalem in the last stage of his earthly ministry and challenges readers to live in the light of Jesus' self-sacrificial humility. Sessions with Luke: Following Jesus on the Journey to Christian Character Timothy W. Brock, 2013-04-11 Sessions with Luke is a ten-lesson study designed to help participants explore and embody Christian character through reflection on biblical truths illustrated in the book of Luke. Each session is followed by a thought-provoking resource page of questions that allows for a deeper experience of the scriptural passages. These resource pages can be used by seminar leaders during preparation and group discussion as well as in individual Bible study. Timothy Brock takes readers on a journey through Luke's brilliant collection of memorable stories, challenging teachings, and well-known parables describing the life and work of Jesus Christ. Ultimately, the stories found in Luke's gospel demonstrate that accepting the invitation to follow Jesus requires a radically transformed relationship with God and with other people. Followers of Jesus are encouraged to emulate and to embody the character of Christ as they create a lifestyle of obedience to God and service to others. **Luke - Following**

Following Jesus Christ John K. Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World. Although the concept of discipleship is an integral part of New Testament teaching, it has largely faded from discussion in both the academy and the local church. To revive and reclaim this teaching for believers in the twenty-first century, editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship, providing a comprehensive biblical picture. In addition, other contributors explore discipleship in the context of the local church, spiritual formation, and the life of the mind. Together, these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives. An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and the academy. Rich with insight, *Following Jesus Christ* represents a major advance in this essential area of study. Craig A. Evans, Houston Baptist University. We are treated here to a survey of what discipleship means in the New Testament from experts in the field, and we also see some of the wider dimensions of discipleship in this important work. All those wanting to understand discipleship will find this to be a valuable resource. Thomas R. Schreiner, The Southern Baptist Theological Seminary. **Following Jesus** Peter Roennfeldt, 2022-08-09 Disciplemaking sounds intimidating, doesn't it? Like something

Following Jesus Blake Ferriss, 2019-05-15 Jesus spoke to the people once more and said I am the light of the world If you follow me you won't have to walk in darkness because you will have the light that leads to life John 8:12 NLT Following Jesus An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit The book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for

Just Follow Jesus Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus Among the twelve disciples were two sets of brothers Peter and Andrew James and John and a man named Matthew If we were selecting individuals to follow Jesus these men would have never been on our list But Jesus saw something in them we could never see Peter Andrew James and John made their livelihood fishing in the Sea of Galilee Matthew collected taxes for the hated Roman empire Each was an average man just going about his daily business But Jesus turned their lives upside down by calling to them saying Follow me Just as his call changed their lives it can change your life too Billy Joseph Stines who served almost forty years at six churches scattered around North and South Carolina explores why you should listen to the call of Jesus He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is Instead of seeking peace through compromise the goal must be to discover the truth Jesus Christ

Luke's Jesus Joseph Blenkinsopp,2021-10-12 The third evangelist tells the story of Jesus in clear dramatically compelling and humanly moving terms His Jesus is a man of great power a deep sense of mission and profound compassion for those on the outskirts of society And Luke s Gospel has the best stories that is parables including a number that are unique to him Luke s story fills in the gap between born of the virgin Mary and suffered under Pontius Pilate in the Apostles Creed While it is usually important for those who write biography to report how the lives of their subjects began and ended Luke s story of Jesus s birth differs from Matthew s version and the conclusion to Luke s account of Jesus s life ends neither with his death nor with his resurrection but with his being taken up from the earth to the heavens The Gospel of Luke is historical in its approach for which there are no apologies a historical reading follows necessarily from the Christian doctrine of the incarnation which teaches that God has entered the history of humanity through Jesus At the same time Luke s approach is theological together with the other evangelists Luke intends to show his readers that in the person of Jesus of Nazareth God has drawn near to humanity in an inexpressible and unique way *Jewish Ways of Following Jesus* Edwin Keith

Broadhead,2010 In this study Edwin K Broadhead s purpose is to gather the ancient evidence of Jewish Christianity and to reconsider its impact He begins his investigation with the hypothesis that groups in antiquity who were characterized by Jewish ways of following Jesus may be vastly underrepresented misrepresented and undervalued in the ancient sources and in modern scholarship Giving a critical analysis of the evidence the author suggests that Jewish Christianity endured as an historical entity in a variety of places in different times and in diverse modes If this is true a new religious map of antiquity is required Moreover the author offers a revised context for the history of development of both Judaism and Christianity and for their relationship Consumption and Wealth in Luke's Travel Narrative James A. Metzger,2007-11-30 It is suggested that

because persons with access to a large surplus too often elect to spend extravagantly on their own desires and existing means of redistribution such as almsgiving and beneficence were failing to offer any lasting changes that might truly be received as good news by the poor Jesus advocates eliminating personal wealth **Every Believer a Disciple!** David E.

Bjork,2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in

the mission that Christ gave to his disciples and gives to us all to make disciples
